Sports Sponsorship A Professional's Guide offers long overdue advice on every aspect of the tough and often daunting task of seeking sports sponsorship. Written by one of international sports' most experienced and successful sponsorship sales exponents, the book is intended for sponsorship seekers at all levels from grass roots sport up to the highest echelons of professional sports organizations. Brian Sims has been involved in motor sports from Formula Ford through to Formula 1, been the marketing director of two Formula 1 teams and been involved in US Indycar Racing with Lola and brought companies such as FedEx, Marconi and Gillette into Formula One when marketing director of the Benetton F1 Team. Brian is now on the Advisory Board of Oxford Brookes University, a Guest Lecturer for the World Academy of Sport and is also working with a talented young British racing driver competing in the 2013 European F3 Championship. The advice and guidance contained in Sports Sponsorship is relevant to many professional sports and has several case studies illustrating how to identify, present and win support from potential partners. Sports Marketing Christine Brooks, 1994 Offering a hands-on approach to becoming an efficient sports marketing strategist, this guide shows readers how to develop their own idea for a sports product, event, create a strategic plan and apply these ideas to a real-world business venture. **KEY TOPICS** Exposing the day-to-day realities of putting together a sports business venture, the handbook begins with two case studies that introduce the overall situation facing sports managers as they attempt to make decisions regarding the correct direction to take their organization. Then, it walks readers step-by-step through the many different aspects that are part and parcel of a successful sports marketing plan, such as seeing and seizing an opportunity, understanding markets, the structure of the sport industry, sports publics, sports markets and sports products, the adult sport participant, conducting market research, sponsorship within the corporate marketing framework, designing sport packages, putting the sport sponsorship plan together, pricing sponsorship packages, sponsorship publicity, hospitality programs, analyzing competitive forces, image control, market share strategy and writing a strategic plan. The guide also includes examples taken directly from the sports business world and highlights the vast scope of job opportunities available in the primary and secondary sport infrastructure. Ideal for both beginning and seasoned sports marketing professionals. *Ferguson Career Resource Guide to Internships and Summer Jobs, 2-Volume Set* Carol Turkington, 2014-05-14 Provides details on over 550 internships and summer jobs.
