Spook War A Memoir From The Trenches:

Spook War William Northrop, 2014 Promises Kept: a Memoir (c) Sid McMath, 2003 He has divided his life story into four parts In the first he shows how his early life in rural Arkansas sparked his commitment to people Then he describes his service to democracy in the military including his commission in the U S Marines a battlefield promotion in the Pacific and other honors and his subsequent advancement to the rank of major general *As I Saw It in the Trenches* Dae Hinson, 2015-05-14 Now that the United States has declared war upon the German Empire and that men will more than likely be conscripted into the service I shall feel embarrassed should I fail to be among the first to go to the training camp wrote Dae Hinson of Leesville Louisiana in April 1917 His World War I memoir gives a compelling account of a young man s induction into the army basic training friendships formed and frontline combat in France with the 156th Infantry Hinson vividly records his daily struggles for survival in the trenches amid gas attacks exploding shells and the constant rattle and fuss of machine gun fire A Companion to Modernist Poetry David E. Chinitz, Gail McDonald, 2014-06-23 A COMPANION TO MODERNIST POETRY A Companion to Modernist Poetry A Companion to Modernist Poetry presents contemporary approaches to modernist poetry in a uniquely in depth and accessible text The first section of the volume reflects the attention to historical and cultural context that has been especially fruitful in recent scholarship The second section focuses on various movements and groupings of poets placing writers in literary history and indicating the currents and countercurrents whose interaction generated the category of modernism as it is now broadly conceived The third section traces the arcs of twenty one poets careers illustrated by analyses of key works The Companion thus offers breadth in its presentation of historical and literary contexts and depth in its attention to individual poets it brings recent scholarship to bear on the subject of modernist poetry while also providing guidance on poets who are historically important and who are likely to appear on syllabi and to attract critical interest for many years to come Edited by two highly respected and notable critics in the field A Companion to Modernist Poetry boasts a varied list of contributors who have produced an intense focused study of modernist poetry *Angels in the Trenches* Leo Ruickbie, 2018-11-08 After a miraculous escape from the German military juggernaut in the small Belgian town of Mons in 1914 the first major battle that the British Expeditionary Force would face in the First World War the British really believed that they were on the side of the angels Indeed after 1916 the number of spiritualist societies in the United Kingdom almost doubled from 158 to 309 As Arthur Conan Doyle explained The deaths occurring in almost every family in the land brought a sudden and concentrated interest in the life after death People not only asked the question If a man die shall he live again but they eagerly sought to know if communication was possible with the dear ones they had lost From the Angel of Mons to the popular boom in spiritualism as the horrors of industrialised warfare reaped their terrible harvest the paranormal and its use in propaganda was one of the key aspects of the First World War *Angels in the Trenches* takes us from defining moments such as the Angel of Mons on the Front Line to

spirit communication on the Home Front often involving the great and the good of the period such as aristocrat Dame Edith Lyttelton founder of the War Refugees Committee and the physicist Sir Oliver Lodge Principal of Birmingham University We see here people at every level of society struggling to come to terms with the ferocity and terror of the war and their own losses soldiers looking for miracles on the battlefield parents searching for lost sons in the sance room It is a human story of people forced to look beyond the apparent certainties of the everyday and this book follows them on that journey *Hornet* 33 Ed Denny,2016-10-13 Combat helicopter pilots in the Vietnam War flew each mission facing the possibility of imminent death Begun as a series of attempted letters to the Department of Veterans Affairs this compelling memoir of an aircraft commander in the 116th Assault Helicopter Company The Hornets relates his experience of the war in frank detail From supporting the 25th Infantry Division s invasion of Cambodia to flying the lead aircraft in the 101st Airmobile Division s pivotal Operation Lam Son 719 invasion of Laos to cut the Ho Chi Minh Trail at LZ Hope the author recounts the traumatic events of his service from March 1970 to March 1971 Remembering the Great War in the Middle East Hans-Lukas Kieser,Thomas Schmutz,Pearl Nunn,2022 This book addresses the conflicts myths and memories that grew out of the Great War in Ottoman Turkey and their legacies in society and politics It is the third volume in a series dedicated to the combined analysis of the Ottoman Great War and the Armenian Genocide In Australia and New Zealand and even more in the post Ottoman Middle East the memory of the First World War still has an immediacy that it has long lost in Europe For the post Ottoman regions the first of the two World Wars which ended Ottoman rule was the formative experience This volume analyses this complex configuration why these entanglements became possible how shared or even contradictory memories have been constructed over the past hundred years and how differing historiographies have developed Remembering the Great War in the Middle East reaches towards a new conceptualization of the long last Ottoman decade 1912-22 one that places this era and its actors more firmly at the center instead of on the periphery of a history of a Greater Europe a history comprising as contemporary maps did Europe Russia and the Ottoman world *Vietnam War*,1990 **Dead Doubles** Trevor Barnes,2020-09-03 THE PORTLAND SPY RING was one of the most infamous espionage cases from the Cold War People the world over were shocked when its exposure revealed the shadowy world of deep cover KGB illegals spies operating under false identities stolen from the dead The CIA s revelation to MI5 in 1960 that a KGB agent was stealing crucial secrets from the world leading submarine research base at Portland in Dorset looked initially like a dangerous but contained lapse of security by a British man and his mistress But the couple were tailed by MI5 watchers to a covert meeting with a Canadian businessman Gordon Lonsdale The unsuspecting Lonsdale in turn led MI5 s spycatchers to an innocent looking couple in suburban Ruislip called the Krogers But within weeks the CIA rang the alarm their critical source of intelligence was to defect within hours and MI5 was forced to act immediately The Krogers were exposed as two of the most important Russian illegals ever whom the Americans had been hunting for years And Lonsdale was no Canadian but a senior

KGB controller This astonishing but true story of MI5's spyhunt is straight from the world of John le Carr and is told here for the first time using hitherto secret MI5 and FBI files private family archives and original interviews Its tentacles stretch around the world from America to the USSR Canada New Zealand Europe and the UK DEAD DOUBLES is a gripping episode of Cold War history and a case that fully justified the West's paranoia about infiltration and treachery **Crossing the Line** Martin Dillon,2017-09-04 In Crossing the Line former BBC journalist and best selling author Martin Dillon recalls his courageous journalistic career spent on the edge during the worst years of the modern Troubles Following his childhood on Belfast's Falls Road and his wandering teenage years Dillon's move into the world of journalism was soon to lead him down paths of extreme danger putting himself in harm's way to reveal the shocking truths of the emerging conflict in his native city His extraordinary story reveals encounters with a roll call of major political figures paramilitaries and Irish literary greats Dillon's memoir is as compelling as it is incisive a riot of revelations on the political and sectarian conflict that rocked Belfast during the 1970s and 80s Dillon's aptitude and ambition gave him unparalleled access to the worlds of politics sectarian violence literature and media Crossing the Line exposes the complex and oftentimes devastating thread that joins them

Quill & Quire ,2003 *Beaten Down By Blood* Michele Bomford,2012-08-21 Beaten Down by Blood The Battle of Mont St Quentin Peronne 1918 charts an extraordinary journey from the trenches facing Mont St Quentin on 31 August 1918 through the frenetic phases of the battle until the final objectives are taken on 5 September This is the story often told in the words of the men themselves of the capture of the unattackable Mont and the invincible fortress town of Peronne two of the great feats of Australian forces in the First World War The Author places real men on the battlefield describing their fears and their courage and their often violent deaths The struggle for control of the battle to site the guns to bridge the Somme and maintain communications are portrayed in vivid detail The story also offers a glimpse of the men's families at home their anxiety and their life long grief **The Meadow** Adrian Levy,2012-05-02 In the summer of 1995 six tourists were kidnapped in the mountains of Kashmir The ransom note said the kidnappers were from an unheard of Islamic outfit and that they wanted the release of Pakistani militant leader Maulana Masood Azhar later responsible for the attack on the Indian parliament The kidnapping electrified the world and for the first time put the global spotlight on Kashmir Within four days one of the prisoners had made a hair raising escape A month on was found beheaded by his captors who had carved their name into his flesh In the background camped out in Delhi the families of the missing struggled to keep their hopes alive while international governments negotiated frantically with India and the army police and intelligence services tried to follow the trail But the remaining four hostages were never found their case forgotten until now Details ,2005 **The New York Times Review of Books** ,1969 *The Writers Directory* ,2013 **Vanity Fair** ,2005 The Publishers Weekly ,2000 *New York Times Saturday Review of Books and Art* ,1969 **Dress & Vanity Fair** ,2005
