Spoon-fed Addiction Silvano Williams, Spoon fed Addiction is a psychological thriller novella driven by Adiran s stream of consciousness rants Adiran is a sarcastic nihilistic yet charismatic young man determined to descend into the darkness surrounding him A small time drug dealer by trade he will give you an intimate view into his mind and life as the night unfolds Adiran s night begins like any other full of self loathing and irreverent observations about the world around him typical of a person that has grown up in an environment of drugs and apathy A drug deal gone awry sets in motion the chain of events of this particular night As the night goes on Adiran s grasp of reality unwillingly slips from him forcing powerful and painful memories to resurface Before crashing out of his subconscious they were the reason for his spiral of constant sorrow and discontent On this night they fuel his rage and drive him into action Yet putting into question his perception Adiran glimpses something hidden within the shadows a supernatural force that may be responsible for the circumstances that lead him on this catastrophic journey Take a ride into an almost familiar world as dreams become nightmares lives become failures and flawed perceptions of a reality tainted by things unseen give way to horrible consequences

Spoon Fed Kim Severson, 2010-04-15 From the prominent New York Times food writer a memoir recounting the tough life lessons she learned from a generation of female cooks including Marion Cunningham Alice Waters Ruth Reichl Rachael Ray and Marcella Hazan Somewhere between the lessons her mother taught her as a child and the ones she is now trying to teach her own daughter Kim Severson stumbled She lost sight of what mattered of who she was and who she wanted to be and of how she wanted to live her life It took a series of women cooks to reteach her the life lessons she

forgot and some she had never learned in the first place Some as small as a spoonful and others so big they saved her life the best lessons she found were delivered in the kitchen Told in Severson's frank often funny always perceptive style *Spoon Fed* weaves together the stories of eight important cooks with the lessons they taught her lessons that seemed to come right when she needed them most We follow Kim's journey from an awkward adolescent to an adult who channeled her passions into failing relationships alcohol and professional ambition almost losing herself in the process Finally as Severson finds sobriety and starts a family of her own we see her mature into a strong successful woman as we learn alongside her An emotionally rich multilayered memoir and an inspirational illuminating series of profiles of the most influential women in the world of food *Spoon Fed* is Severson's story and the story of the women who came before her and ultimately a testament to the wisdom that can be found in the kitchen
