

Maintenance

- Regularly clean your wrist and the fitness tracker, especially after sweating in the exercise or being exposed to substances such as soap or detergent which may attach on the internal side of the tracker.
- Do NOT wash the fitness tracker with household cleanser. Please use soapless detergent, rinse thoroughly and wipe with a piece of soft towel or napkin.
- While the fitness tracker is water resistant, it's not good for your skin to wear a wet band. If your bands get wet - like after sweating or showering - clean and dry them thoroughly before putting them back on your wrist.
- Be sure your skin is dry before you put your bands back on.
