Spotless Spotless Series English Edition:

Still Camilla Monk, It always started like this a pulse inside me like a warning before the tide surged roared and froze everything Twenty year old Emma just landed in Rome to find the father who walked out of her life more than a decade ago and was too busy eating pizza to call Traveling with her is a secret she s carried alone since childhood sometimes around her time stops People and cars freeze rain hangs still in the air and there s only her left in the silence To make things worse Em runs into a past she d rather forget in the person of Lily her estranged step sis As the two of them reconnect Em starts to pick up some creepy vibes from the mysterious archaeological foundation Lily works for and more specifically the ancient stone table they re digging up near the coliseum Faust the blind hobo Em keeps running into might be the key to piercing Katharos s secrets Actually he might even have something to do with that pesky time freezing thing From the bestselling author of the Spotless series comes a new urban fantasy where a girl with nothing left to lose comes to terms with life s losses and inebriated bums take on old gods Let the madness begin *Avesta: the Religious Books of the Parsees: from Professor Spiegel's German Translation of the Original Manuscripts by A.
