Leading Assessment for Student Success

Rosie Phillips Bingham,Daniel Bureau,Amber Garrison Duncan,2023-07-03 While both committed to providing effective programs and services that help students succeed in college and beyond and aware of the increasing demands from internal and external stakeholders that every dollar spent benefits students and contributes to the mission of higher education student affairs professionals have little guidance about

how to create and sustain the culture of assessment to achieve these goals This book provides the practical directions for embedding assessment in the fabric of practice The authors in this volume all experienced senior level leaders who have established programs that exemplify a culture of evidence based practice identify and explicate ten tenets of practice for leading and implementing a culture of change committed to student learning and sound assessment methods Grounded in assessment literature the tenets are 1 Understand the Why of Assessment 2 Commit to Student Learning as a Primary Focus 3 Lay the Foundation for a Sustainable Assessment Culture 4 Develop Strategies to Engage Staff in a Commitment to Assessment 5 Provide Recognition and Accountability Structures 6 Reaffirm the Importance of Assessment to Anchor Cultural Change 7 Develop Sound Assessment Plans 8 Connect Assessment Plans to Divisional and Institutional Strategic Plans 9 Determine the Appropriate Methods for Assessing Programs and Services 10 Market Data to Leverage Buy in and Promote Utility to the Campus Community The basic premise of this book is that the Senior Student Affairs Officer must be the primary leader and spokesperson for this effort both in setting the tone and keeping all members of the team accountable for implementation and the commitment of their units The book opens with an overview of history and purpose and language of assessment relates it to the educational mission of student affairs and outlines the four elements necessary to start a culture of assessment commitment connection consistency and communication In addressing the role of the Senior Student Affairs Officer subsequent chapters address the process of gaining buy in and the importance understanding the unique culture of the institution provide guidance on creating an environment of trust accountability and transparency and describe how to lay the foundations to sustainability through consistency and strong interpersonal and collaborative relationships among the staff The book concludes by summarizing the essential assessment practices and tools that senior leaders need to be aware of providing examples of assessment cycle templates that can be applied across departments and outlining how to establish a strategic plan aligned with institutional mission that is linear predictable and consistent and aligned with institutional mission as well as communicating results both externally and internally for the purposes of improvement

Free Fall Dustin Beall Smith, 2025-05-27 A stirring literary collection that explores the human experience with wisdom and honesty by award winning author Dustin Beall Smith In Free Fall author and writing teacher Dustin Beall Smith delivers a powerful collection of personal essays talks short fiction and poetry With a broad range of subjects from American culture and academia to desire failure love and the impermanence of all things Smith delves into the lived life At the same time he champions the importance of process over product attention over intention and implicit meaning over overt messaging He infuses his writing with humor risk and raw emotion using these elements to write honestly about teaching learning and letting go Told from first second and third person perspectives and in poetry that dives deep into life s vicissitudes Smith s work embraces the power of writing in one s true voice

Get Out of College and Get on with Your Neal Prochnow, 2005-05 *One Man In His Time*: William C. Prentiss, 2013-10 *One Man In His Time* A Memoir is an account of a full life which includes

Prentiss's participation in both national and local politics at a high level and his friendship with major figures including Sen George McGovern and many others. He had two meetings with Gov Jimmy Carter during his presidential campaigns and he was a guest in the Reagan White House to receive a major medal. Other portions of his memoir describe mostly in anecdotal accounts his extensive work with troubled teenagers sent to his program by the Orange County Florida Juvenile Court. He was also a teacher and administrator at both the secondary Florida Military School and college Valencia College in Orlando levels of education. He reached many high goals in his life despite having a troubled early adolescence which he describes in detail. His Air Force experience as an Intelligence Officer was also one of high adventure. Prentiss has described himself psychologically as a seeker of high sensation. This is borne out in his memoir including his choice to be a Volunteer Fireman and his Air Force close calls. Much of his life is told in the details of his life and times. A reader will have a better feel for the years between 1932 and the present after reading this Memoir.

Unrequited Time James McCurrach, 2011-09 James C McCurrach was born in Brooklyn New York and was the namesake of a self made business success story. He had a privileged upbringing that included a succession of private schools culminating in a B A from Brown University in Providence R I. He traveled a circuitous route as an adult a journey that included tennis a Vice Presidency at the former Bankers Trust Company in New York City as well as the principal in a New York restaurant. After many personal hurdles he finally succeeded in his original goal of a teaching career. Additionally his work assisting foreign students in the English language resulted in the publication of two English textbooks for English beginners in Japan and Korea. He is a former squash racquets champion with numerous top ten rankings in various age categories. He resides in San Francisco with his partner of 29 years. This Memoir is dedicated to P Justin Jacobs for his loyalty support and continuing encouragement. A troubled youth in search of direction finds himself groping to find his place despite numerous obstacles centering about his Father looking for a duplicate. Such are some of the problems facing James C McCurrach Jr as he passes through his early childhood years and the social upheavals encountered on the path to a new century. All of this is complicated by his growing uncertainty of his sexual proclivities at a time when homosexuality was ridiculed and considered a deviancy beyond the pale. At the same time his Father's influence was a constant presence that would lead to a series of disasters both socially and financially. Despite trying to throw off his Father's yoke there remained a continuing need to please him and establish some sort of positive approval resulting in a series of tumultuous relationships and career moves. His Mom had always told the youngster that he would be a late bloomer and indeed that prediction would come to pass as in his later years the teaching profession would provide the purpose and rewards that had long eluded him.
