

The Challenge of Utopia

Visual Prompt: The perfect society may mean different things to different people. What type of society does each image represent? What does each say about what is important to the people who prefer one over the other?

Unit Overview

We probably all agree that we would like to live in an ideal society where everyone is free and happy, but what does that actually mean, and why do definitions of the ideal society differ so greatly? Some would argue that an ideal life is a life without conflict or problems, but what is a “perfect” life? In this unit, you will read, write, and engage in various types of collaborative discussions to explore these universal questions. Then, you will move from discussion and exposition into debate and effective argumentation as you research and develop a claim about a contemporary issue.

Refusals and Reflections ,2024-11-04 Though qualitative research methods shape scholarship around the globe and institutions worldwide offer qualitative coursework there is very little explicit discussion on how to effectively teach qualitative research Instead a standard approach is for instructors to gain in depth expertise in qualitative methodologies with little or no pedagogical training The effect is a continuous and nearly exclusive emphasis on content knowledge that undermines the preparation of novice researchers as both teachers and learners This book works to fill that gap by offering perspectives strategies and applications from instructor and student perspectives based on a semester long class emphasizing social justice in qualitative research This edited volume offers sections on pedagogical strategies students responses to and applications of those concepts and then instructor reflections The goal is to offer an important starting point for explicit discussions on how qualitative research might be taught and learned in addition to how it might be thoughtfully and ethically conducted Contributors are Erica T Campbell Sun Young Gu Kelsey H Guy Aimee J Hackney April M Jones Alison N Kearley Caran Kennedy Amon Neely Cowan Allyson Pitzel Diana Quito Erin E Rich Stephanie Anne Shelton Ashley Salter Virgin and Venus Trevaee Watson
