**Spiritual Direction: A Guide for Sharing the Father's Love** Fr. Boniface Hicks, Fr. Thomas Acklin, 2017 The need for spiritual direction or the accompaniment of a spiritual guide is becoming more prominent in a world where so many are suffering from so many wounds With a harmonious integration of both timeless spiritual wisdom from the Catholic Church's tradition of prayer and direction and the insight of the psychological sciences Fathers Thomas Acklin and Boniface Hicks offer a comprehensive guide for all who provide or seek spiritual direction *Spiritual Direction A Guide for Sharing the Father's Love* fortifies priests religious and lay faithful who embrace the ministry of spiritual direction and accompany the wounded assist men and women in hearing the voice of God and model the love and mercy of the Father for the many who are seeking Him but do not know Him or have false images of Him This book also shows how various aspects of the spiritual life can emerge from and be fostered by a one on one relationship with a spiritual director Together with concrete guidelines and numerous examples from personal experience this book refers extensively to Sacred Scripture as the foundation for spiritual direction Furthermore since the practice of spiritual direction goes back to the first centuries of the Church the authors turn for guidance to the Doctors of the Church the writings of the saints and the papal magisterium in developing and supporting their insights *Spiritual Direction* will call spiritual directors to deeper holiness even as they assist others in growing closer to the Father through His loving gaze of mercy **Spiritual Direction** Sue Pickering, 2014-09-16 Spiritual direction has been an intrinsic part of the Christian tradition since the earliest days of the church when desert mothers and fathers were sought out for their wisdom and guidance This guide aims to equip clergy and laity engaged in this task or in training for it

by Jesus of Nazareth This is a remarkable achievement of solid factual information that is loaded with ammunition for the new evangelization Contains colorful vignettes of historic moments alternating with sustained argument Marks challenges the reader to set aside long held assumptions and prejudices Jesus is the only one who proclaimed himself sinless and the only one who ever claimed to be God His followers converted an entire empire without resort to violence and after winning Rome they not only gave the world its calendar but transformed pagan culture beyond recognition These hard cold facts are presented here with copious notes for easy identification of persons events or doctrines that may be unfamiliar The reader will also find a detailed index and useful appendices

*Meditation as Spiritual Therapy* Matthew McWhorter, Matthew R. McWhorter, 2024 Christian persons today might seek spiritual development and ponder the benefit of mindfulness exercises but also maintain concerns if they perceive such exercises to originate from other religious traditions Such persons may not be aware of a long tradition of meditation practice in Christianity that promotes personal growth This spiritual tradition receives a careful formulation by Christian monastic authors in the twelfth century One such teaching on meditation is found in the treatise *De consideratione* written by St Bernard of Clairvaux d 1153 to Pope Eugene III d 1153 In textual passages where St Bernard exhibits a clear concern for the mental health of the Pope due to numerous ongoing ecclesial political and military problems St Bernard reminds Eugene III of his original monastic vocation and the meditation exercises associated with that vocation The advice that St Bernard gives to Eugene III can be received today in a way that provides a structure for Christian meditation practice which is relevant for personal development spiritual direction and civil psychotherapy that integrates a client's spirituality into the course of treatment St Bernard thus might be interpreted as a teacher of a kind of Christian mindfulness that can benefit both a person's mental health as well as a person's relationship with God *Meditation as Spiritual Therapy* examines the historical context of Bernard's work his purpose for writing it as well as the numerous Christian sources he drew upon to formulate his teaching Bernard's teaching on the course of meditation itself is explored in depth and in dialogue with his other treatises letters and sermons Lastly a contemporary summary of Bernard's teaching is provided with reflections concerning the relationship of this teaching to contemporary spiritual direction and spiritually integrated civil psychotherapy
