Good evening friends, family, faculty, and fellow graduates.

As we stand here today, on the brink of a new chapter in our lives, it's hard to believe that it's already been four years (or however long it took us to get here). It seems like just yesterday that we were nervously stepping onto campus, not quite sure what to expect.

But as we look back on the past four years, it's clear that we've come a long way. We've made new friends, learned new things, and grown as individuals. We've faced challenges and overcome them, and we've learned to persevere through difficult times.

And as we move on from this chapter in our lives, I encourage each and every one of us to remember the lessons we've learned and the experiences we've had. These experiences will shape who we are and how we approach the world, and they will serve us well in the years ahead.

But before we get too ahead of ourselves, let's take a moment to reflect on how we got here. I'm sure we all have different stories and experiences, but there are a few things that I think we can all relate to.

For starters, I'm sure we can all agree that college is a lot of hard work. Between classes, assignments, and exams, it's easy to get bogged down and feel overwhelmed. But despite the challenges, we've persevered and made it to this point.

I'm also sure that we've all had moments where we felt lost or unsure of ourselves. It's natural to feel that way, especially when you're trying to navigate a new environment and figure out your place in the world. But despite these moments of uncertainty, we've found our footing and discovered our passions.

And most importantly, I'm sure we can all agree that college has been an amazing experience. We've had the opportunity to learn from some of the best professors in the field, engage in meaningful discussions and debates, and be part of a community of like-minded individuals.

So, as we move on from this chapter in our lives, let's remember to be grateful for the experiences we've had and the people who have supported us along the way. To our parents, who have always believed in us and encouraged us to pursue our dreams, thank you for your unwavering love and guidance. To our teachers and mentors, who have imparted their knowledge and wisdom upon us, thank you for your invaluable guidance and encouragement. And to our friends, who have stood by us through thick and thin, thank you for your friendship and support.

The Spiritual Formation of Leaders Chuck Miller,2007-12 Why do the demands of leadership often draw leaders away from intimacy with God What can I do to become a more effective leader How can I keep from burning out and bailing out How can we develop effective leaders who are being spiritually transformed as they abide in Christ Key to answering these questions is the simple but profound truth that we must be the people of God before we do the work of God That s why The Spiritual Formation of Leaders invites you to deeper intimacy with Christ so in Him you will be empowered to enjoy rich community with one another and a life of fruitful ministry Spiritual leadership formation happens only in God s presence So come to Jesus Meet with Him in the Soul Room walk with Him into the Leadership Room and watch Him work in you and through you for His kingdom

Living Spiritually in the Material World Lewis M. Andrews Ph.D.,2020-03-17 For almost three hundred years almost every American college was run by a minister or prominent Christian thinker Although representing many denominations they collectively developed an enormously popular student seminar on how to find spiritual satisfaction in the larger world beyond home and church a discipline that eventually inspired the entire country through a series of bestselling books Combining historical research with the insights of modern psychology and his own experience as therapist and teacher Dr Andrews makes the insights of the early college president assessable to today s Christian seekers Before shelves were warping under the weight of self help books before the caring industries were promising happiness via therapy or pills many Americans sought guidance and wisdom from of all people Christian college presidents Lewis Andrews unearths the story of how these religious educational and social leaders came to be spiritual instructors and he shows how their advice can still help us lead lives of greater courage resilience and grace Adam Keiper Books they also provided useful guidance for spiritual wisdom which Andrews translates for today s modern audience Mike McCurry professor director Wesley Theological Seminary and former State Department White House spokesman 1993 98

Body and Spirit in the Middle Ages Gaia Gubbini,2020-08-10 A crucial question throughout the Middle Ages the relationship between body and spirit cannot be understood without an interdisciplinary approach combining literature philosophy and medicine Gathering contributions by leading international scholars from these disciplines the collected volume explores themes such as lovesickness the five senses the role of memory and passions in order to shed new light on the complex nature of the medieval Self

Does God Belong in Public Schools? Kent Greenawalt,2007-05-06 Controversial Supreme Court decisions have barred organized school prayer but neither the Court nor public policy exclude religion from schools altogether In this book one of America s leading constitutional scholars asks what role religion ought to play in public schools Kent Greenawalt explores many of the most divisive issues in educational debate including teaching about the origins of life sex education and when or whether students can opt out of school activities for religious reasons Using these and other case studies Greenawalt considers how to balance the country s constitutional commitment to personal

freedoms and to the separation of church and state with the vital role that religion has always played in American society Do we risk distorting students understanding of America s past and present by ignoring religion in public school curricula When does teaching about religion cross the line into the promotion of religion Tracing the historical development of religion within public schools and considering every major Supreme Court case Greenawalt concludes that the bans on school prayer and the teaching of creationism are justified and that the court should more closely examine such activities as the singing of religious songs and student papers on religious topics He also argues that students ought to be taught more about religion both its contributions and shortcomings especially in courses in history To do otherwise he writes is to present a seriously distorted picture of society and indirectly to be other than neutral in presenting secularism and religion Written with exemplary clarity and even handedness this is a major book about some of the most pressing and contentious issues in educational policy and constitutional law today

Healing the Broken Spirit Shatina Stevenson,2015-12-27 Experiencing the symptoms of PTSD led me to seek help after learning how it had devastated the lives of many men and women Faced with an internal crisis I felt the need to share the tools that changed my life According to the national center for PTSD six of every ten or 60 percent of men and five of every ten or 50 percent of women experience at least one trauma in their lives About seven or eight out of every one hundred people or 78 percent of the population will have PTSD at some point in their lives Around thirty thousand people with PTSD commit suicide each year By the grace of God Ive found a new mind and a healthy view on life This book is about the journey through pain to praise

Making Sense of Church Spencer Burke,2009-08-30 Samplings of online discussions about God truth and church from theOoze comOur culture is rapidly changing and people are searching for new models and paradigms to find meaning in their lives As in all transitional periods this search takes place in grass roots conversations where the new is taking form No other place so uniquely captures this struggle more than the message boards at theOoze com the premier melting pot of emerging spiritual conversation Making Sense of Church is a snapshot of this community conversation as it tries to make sense of God in the emerging worldview It represents a gathering of individuals with different points of view theologies life contexts and feelings Author Spencer Burke creator of theOoze com provides the framework writing for each chapter and acts as a guide to the accompanying e mail postings that supplement the chapters Subjects discussed include Authentic Community Experiential Worship The Internet and God Art as a Vehicle for Communicating Truth Spirituality and Sexuality What Is the Church What Is Postmodernism

Working with Spirit Jo Thobeka Wreford,2008-05-01 In the current model of health dispensation in South Africa there are two major paradigms the spirit inspired tradition of izangoma sinyanga and biomedicine These operate at best in parallel but more often than not are at odds with one another This book based on the author s personal experience as a practitioner of traditional African medicine considers the effects of the absence of spirit in biomedicine on collaborative relationships Given the unprecedented challenge of the HIV AIDS epidemic in the country the author suggests that more cooperation is vital Taking a critical look at

the role of anthropology in this endeavor she proposes the development of a language of spirit by means of which the spirit inspired aetiology of izangoma sinyanga may be made comprehensible to academic scientists and applicable to medical interventions The author discusses white izangoma in the context of current debates on healing and hybridity and insists that there exists a powerful role for izangoma in the realm of societal healing Above all the book constitutes a start in what the author hopes will develop into an ongoing intellectual conversation between traditional African healing academe and biomedicine in South Africa

Freedom's Orator Robert Cohen, 2009-08-27 Here is the first biography of Mario Savio the brilliant leader of Berkeley's Free Speech Movement the largest and most disruptive student rebellion in American history Savio risked his life to register black voters in Mississippi in the Freedom Summer of 1964 and did more than anyone to bring daring forms of non violent protest from the civil rights movement to the struggle for free speech and academic freedom on American campuses Drawing upon previously unavailable Savio papers as well as oral histories from friends and fellow movement leaders Freedom's Orator illuminates Mario's egalitarian leadership style his remarkable eloquence and the many ways he embodied the youthful idealism of the 1960s The book also narrates for the first time his second phase of activism against Reaganite Imperialism in Central America and the corporatization of higher education Including a generous selection of Savio's speeches Freedom's Orator speaks with special relevance to a new generation of activists and to all who cherish the 60s and democratic ideals for which Savio fought so selflessly

Make

America Christian Again Greg Koehn Ph.D,2023-10-17 Obviously this book finds its title from the slogan created by former president Donald Trump Make America Great Again This book is intended to argue that for America to be great it must be Christian This does not mean that other religions are not welcome as has never been the case in America but rather as a country based upon biblical principles there has always been true freedom of religion The point being that this country was founded upon the teachings of the Bible which is why there is freedom of religion each person is free to choose for themselves either heaven or hell This book is divided into three sections the first one discussing the fact that America was founded as a Christian nation and as such it grew to be the most powerful and prosperous nation on the earth Since departing from the Bible its teachings and its God America is now in a steep decline The second section discusses the 5 main institutions of any society and how that in each case they work better when they follow the teachings and principles of the Bible The final section is what can still be done to turn America back to its roots and back to the Bible As Bible believers we know the time is short and the coming of our Lord to take home His people and to judge the world in His righteousness is indeed imminent But in these last days lest us not be lax in the preaching of the gospel and making a stand for the things that are holy Let us get off of our seats onto our feet and into the streets to be as the prophets of old and declare that thus says the Lord

The Living Word

2022-2023 Kate Cousino, Julie Dienno-Demarest, Aires Patulot, Liza N. Peters, *The Living Word* helps youth ministers parish catechists and high school religion teachers meet teens where they are and guide them to a deeper understanding of the Gospel's role in their lives. This model of liturgical catechesis through lectionary readings enhances the liturgical preparation, liturgical participation and liturgical living of teens. Each session can be easily incorporated into lessons or group activities that have already been planned. This resource includes materials for each Sunday and holyday of obligation from the first Sunday of August through the last Sunday in July. Additionally, *The Living Word* includes digital resources to help the teens reflect and act on the Sunday Gospel throughout the week. *The Living Word* includes the following: Complete and flexible 15 minute sessions to complement your current teen programs; Connections to the liturgical calendar and to Catholic teachings; Ritual with the proclamation of the Gospel; Reflections to help teens understand the Gospel in the context of their own experiences and concerns; Useful tools for integrating the New Evangelization in your teen ministry; Digital reproducibles in PDF or JPG format for teens that can be printed, emailed or shared via social media. Authors include Kate Cousino, Julie Dienno, Demarest, Aires Patulot and Liza N. Peters. **A Christian in the Land of the Gods** Joanna Reed

Shelton, 2016-01-05 In November 1877 three months after Emperor Meiji's conscript army of commoners defeated forces led by Japan's famous last samurai, the Reverend Tom Alexander and his new wife Emma arrived in Japan, a country where Christianity had been punishable by death until 1868. *A Christian in the Land of the Gods* offers an intimate view of hardships and challenges faced by nineteenth century missionaries working to plant their faith in a country just emerging from two and a half centuries of self-imposed seclusion. The narrative takes place against the backdrop of wrenching change in Japan and Great Power jockeying for territory and influence in Asia as seen through the eyes of a Presbyterian missionary from East Tennessee. This true story of personal sacrifice, devotion to duty and unwavering faith sheds new light on Protestant missionaries' work with Japan's leading democracy activists and the missionaries' role in helping transform Japan from a nation ruled by shoguns, hereditary lords and samurai to a leading industrial powerhouse. It addresses universal themes of love, loss and the enduring power of faith. The narrative also proves that one seemingly ordinary person can change lives more than he or she ever realizes. *Next Level Parenting* Rich Rogers, 2011-11-21 Beyond practical parenting and good behavior, how to's *Next Level Parenting* takes the reader beneath the surface to the heart and soul of the child where the most profound transformations take root. It teaches parents to use discernment, wisdom and courage as they place as much focus and effort on addressing what is happening in the spirit realm as they do in the physical realm. In a world where a battle for the hearts and minds of the next generation is raging, parents learn to stand in the gap, armed and ready spiritually to do battle on their child's behalf.
