## **Spiritual Warfare Warning Your Soul Is In Danger Paperback:**

**Spiritual Warfare** Jimmy Lowery, 2000-04 In today's society many games have been developed for use on the computer. However, some of those games are still in the old-fashioned form such as the Ouija Board, tarot cards, and the new Angel Board. This book, *Spiritual Warfare: Warning Your Soul Is In Danger*, provides alarming information concerning various types of occult games. It contains the theology behind angels and demons and provides personal stories of those who have encountered both. If you are a Minister or Youth Minister, this is a definite must-read. **Larson's Book of Spiritual Warfare**

**Warfare** Bob Larson, 1999-04-05 Larson's Book of Spiritual Warfare is a window into a world many Christians have no idea exists. An expert on the occult, cults, and supernatural phenomena, Bob Larson provides a comprehensive guide to the motivating factors of much of the deviant behavior occurring in society today. *The Watchman*, 1888 *100 Dreams and Their Biblical Interpretations* Jacob Makaya, 2018-06-01 Sometimes you have a dream, and when you wake up, you thank God it was just a dream. God uses dreams to reveal what is going on in the spiritual realm of one's life. Dreams often reveal things that we may physically be unaware of. When you have a dream, ignoring it does not solve the problem. God uses dreams to guide us so we make correct decisions in our lives. He also uses dreams to warn us if something bad was going to happen so we can pray and change it. More importantly, God uses dreams to reveal His purpose in our lives. Every dream has a purpose and interpretation. For instance, when you dream you are eating, being chased by people, driving a car, taking exams, being in a place you have never been, being in a place you know or used to live, etc., God is directing, speaking to you things that are going on in your life. The Bible has answers to all these dreams and many others. This book will reveal God's word to you in a personal level because interpretations of dreams are personal and are based on God's message to you. **Transformative**

**Time Travel** Jay S. Lowder, 2024-10-31 Some words belong together. But what about these: Christian, Non-fiction, Time travel. Is that surprising? Christians should engage in mental time travel each day. Their minds should travel back to the cross of Jesus, which should impact their choices today. Then their minds should travel forward to the return of Jesus and have increased hope. That is biblical meditation: thinking about God's truths and then living a hope-filled life. But what happens when we do it wrong: time traveling in fearful, worried ways to the terrible future we can imagine. Or what if readers fail to time travel to the future to be alert? They may even live an undisciplined life today because they do not meditate on their tomorrows enough. This book is more than just a book; it's a biblical time travel guide. It connects readers' daily experiences with how God wants them to think about their past and future. Readers will be surprised how many of their struggles are linked to their time travel skills. What a victorious life awaits as readers learn to enjoy transformative time travel. [The Holy Bible, Containing the Old and New Testaments \(according to the Present Authorized Version\) with Critical, Explanatory, and Practical Notes](#) Joseph Benson, 1846 **The Expositor's Bible: The Book of Numbers** Robert A. Watson, 2024-01-02 Robert A. Watson's *The Expositor's Bible: The Book of Numbers* gives a compelling look at the biblical book of Numbers.

Watson's incisive essay digs into the historic and non secular significance of the Israelites trek through the desolate tract as associated inside the fourth book of the Old Testament. With rigorous research and sophisticated interpretation, Watson deciphers the numerical and symbolic components of Numbers, bringing mild on its topics of religion, obedience, and divine guidance. He investigates the importance of the census, tribe organization, and the Levites' function in Israelite spiritual lifestyles. Watson's elegant writing fashion fascinates readers and invites them to remember the everlasting instructions and ethical teachings contained within the book of Numbers. Through testimonies of riot, punishment, and redemption, he emphasizes the value of trusting God and the repercussions of disobedience.

*The Expositor's Bible: The Book of Numbers* is a useful aid for scholars, theologians, and all people seeking to get a higher hold close of the Old Testament. *Homiletical commentary on the Book of Nehemiah*, by W.H. Booth, J.H. Goodman, and S. Gregory, rev. William Henry Booth, John Henry Goodman, 1880.

*Under an Umbrella of Suspicion and Sabotage* Francis B. Seraph, 2015-05-26. A novel based off of a DECADE of History as a Medical Marijuana Patient in the State of Colorado. What happens to this disabled Patient and her Family in this Bone Chilling novel brings question to all who will read. With the legalization of Marijuana comes both Profit and Greed. Under an Umbrella of the Rich and Powerful hand in hand with the other Dark and Evil Powers that May Or May Not Be A story about Choices and When is it right to do the right thing. A Story of a marijuana patient willing to challenge the entire state of Colorado on misconducts, fraud, and corruption, only to be set up, sabotaged. Could this be what my nephew warned me of the week before he was viciously murdered? Could there be a possible connection? All is not as it seems to be in the Wild Wild West, legalized Pot State. All this and more as Emma Jane Jones dares to go where no man or woman in the State has ever dared to go before.

**Tested in the Fire of Hell** Richard J Vnuk, 2010-03-16. Although many young Americans are highly trained to be skilled soldiers, they have little or no training in dealing with the realities of combat. They have not been trained to deal with the consequences of war, namely psychological injuries, deaths of close friends, and the betrayal of what is morally right. All this has led to soldiers experiencing a spiritual death and emotional numbness. The church and the government have ignored the soldiers who have been acting out. Silencing the survivor is not working; too many soldiers are suffering, and it is time for the church and government to aid these heroic warriors. This is a personal story of my struggle with my conscience and what I was asked to do. It is a story of my battle with the psychological consequences of war and the spiritual battle that took place within my soul as I tried to recover from the horrors of war. I hope that it will help other young men and women deal with the realities of war.

Linthicum, 2011-03-01. Why is the city a battleground of hostile principalities and powers? What is the mission of the church in

the city How can the church be supported in accomplishing that mission These are the questions that Robert Linthicum treats in his comprehensive and probing biblical theology of the city In the Bible the city is depicted both as a dwelling place of God and his people and as a center of power for Satan and his minions The city is one primary stage on which the drama of salvation is played out And that is no less the case at the end of this pivotal century as megacities become the focal point of most human activity and aspirations around the world This is a timely theology of the city that weaves the theological images of the Bible and the social realities of the contemporary world into a revealing tapestry of truths about the urban experience Its purpose is to define clearly the mission of the church in the midst of the urban realities and to support well the work of the church in the urban world
