Enhancing Nurses' and Midwives' Competence in Providing Spiritual Care Wilfred McSherry, Adam Boughey, Josephine Attard, 2021-05-18 This book is the first of its kind addressing key issues in the teaching and learning of spirituality and spiritual care in the context of nursing and midwifery practice The content is based on the outcomes of a European wide project EPICC that brought together leading nursing and midwifery educators and practitioners from 21 countries It highlights the importance of ensuring student nurses and midwives receive sufficient educational preparation to provide spiritual person centred care In turn the book puts forward an innovative and creative approach to the teaching of spiritual person centred care based on an evaluation of best practice across Europe The content and activities presented will enable nursing and midwifery educators to acquire new knowledge skills for learning about and teaching on the personal religious and spiritual aspects of person centred care Both interactive and engaging it will equip nursing and midwifery students to holistically address the needs of the people they care for The book has the potential to transform the nursing and midwifery workforce of the future by ensuring they are prepared to face the global challenges that are impacting international nursing and midwifery practice
Nursing as Ministry Kristen L. Mauk, Mary Hobus, 2019-10-01 Designed to be a student friendly textbook for faith based schools this first edition text focuses on nursing as ministry not just spiritual care
Spirituality, Theology and Mental Health Christopher Cook, 2013 Theology Spirituality and Mental Health provides reflections from leading international scholars and practitioners in theology anthropology philosophy and psychiatry as to the nature of spirituality and its relevance to constructions of mental disorder and mental healthcare Key issues are explored in depth including the nature of spirituality and recent debates concerning its importance in contemporary psychiatric practice relationship between demons and wellbeing in ancient religious texts and contemporary practice religious conversion and the nature and importance of myth and theology in shaping human self understanding These are used as a basis for exploring some of the overarching intellectual and practical issues that arise when different disciplines engage together with an attempt to better understand the relationship between spirituality and mental health and translate their findings into mental healthcare practice
Spirituality: An Interdisciplinary View Jennifer Mata-McMahon, Tihana Kovač, Grace Grace, 2019-01-04 This volume was first published by Inter Disciplinary Press in 2016 Even though spirituality can be considered as an innate

human potential one which all are capable of experiencing and developing it has proven quite difficult to define among scholars This volume presents various takes and uses of spirituality looking into describing what it means together with considering applications of spirituality as a healing measure and practice Also spirituality s presence in the world around us in the form of nature mandalas and world soul is presented in this volume As well as spiritual aspects of literary pieces with rich analysis of story lines and characters tied back to spiritual parallelism and connotations This volume represents an interdisciplinary view on spirituality and the various uses this ephemeral term has in different fields of scholarship it represents a synopsis of the current interesting views scholars researchers and practitioners have on spirituality and matters of the spiritual realm **What Is Spiritual Care?** Pamela Cooper-White, Claudia Kohli Reichenbach, Emmanuel Y.

Lartey, 2025-05-15 What is spiritual care Much has been assumed as an answer to this question within particular professional and religious silos The contributors to this volume offer fresh answers from perspectives of different caregiving professions medicine nursing public health psychology pastoral care and pastoral theology different religious traditions Islam Judaism Christianity and Buddhism and different cultural contexts Certain red threads become apparent the importance of deep listening openness to difference willingness to recognize the importance of spiritual care as practiced in different professions and religions respect for the inherent dignity of every person and support for each individual s unique spiritual journey At the same time the diversity of voices makes clear both by juxtaposition and argumentation that the hegemony of a mid twentieth century white American Protestant tradition of pastoral care is being reevaluated contested expanded and even decolonized as voices formerly from the margins are being brought to the center and the spiritual needs of persons from many different traditions and locations are increasingly being met on their own terms The cumulative impact of this work emphasizes that spiritual care is finally inseparable from larger efforts toward justice and peacemaking This is an invaluable resource for healthcare providers chaplains and pastoral professionals [Clinical Reasoning in the Health Professions E-Book](#) Joy
