

## CORPORATE SPONSORSHIP LETTER

Dear \_\_\_\_\_ (business, corporation, or individual) \_\_\_\_\_:

My name is \_\_\_\_\_ and I recently attended the \_\_\_\_\_ (NCA or NDA) \_\_\_\_\_ camp at \_\_\_\_\_ (camp name) \_\_\_\_\_ along with my teammates from \_\_\_\_\_ (school name) \_\_\_\_\_. Our team worked extremely hard throughout the camp not only on the physical aspects of \_\_\_\_\_ (cheer or dance) \_\_\_\_\_ but also on the teamwork and leadership needed to be active participants in the success of our school.

The National Cheerleaders Association (NCA) and the National Dance Alliance (NDA) have been leaders in the Spirit industry since 1948. Each year NCA/NDA camps train over 100,000 cheerleaders and dancers across the United States. NCA and NDA pride themselves on being able to offer lifelong memories, friendships, and athleticism which pave the way for future success in life.

Being named \_\_\_\_\_ (see Awards List below) \_\_\_\_\_ is a high honor and a sign of true accomplishment. With that honor comes various exciting opportunities and possibilities to represent my school and community. I have the ability and privilege of attending the \_\_\_\_\_ (see Event Names below) \_\_\_\_\_ to perform with the NCA/NDA Special Events Team. I will be required to learn a series of programs and routines that will be performed live during the half-time show of the game. There will be a great deal of time, dedication, and practice to prepare for such a performance in a short amount of time, but I look forward to this opportunity and challenge.

I would like to ask for your help in making this dream a reality by allowing me to represent our community at this event. I am looking to raise \$ \_\_\_\_\_ (dollar amount) \_\_\_\_\_, and every amount brings me closer to my goal. I know that your company supports the development of young athletes and therefore I am asking for your monetary donation to aid in enabling me to achieve my goal. I appreciate any consideration you can provide to my endeavor. Your support means a great deal to me, my family, and our community. Thank you, and I look forward to my experiences at the \_\_\_\_\_ (Special Event Name) \_\_\_\_\_.

Sincerely,

Your name

*Schooled for the Future?* Karen Valentin, 2006-02-01 Schooled for the future offers an ethnographically rich account about squatter families in Kathmandu and their struggles to improve their living conditions and create a better future through education Examining how people children and adults experience and respond to policy initiatives aimed at improving their life the book discusses the paradoxes inherent in modern schooling Firstly schooling promises social justice and equal opportunities yet it also contributes to the reproduction of social inequalities by strengthening existing class divisions and by producing a new category of unschooled people Secondly within the context of the family schooling is attributed an economic and symbolic value but it is also considered a potential threat to family values based on generational hierarchy and caste identity Through detailed ethnographic accounts the author demonstrates how urban poor families experience the schooling process ambivalently both as a source of alienation and inferiority as well as a source of self esteem and sense of progress Acknowledging the interconnect edness between global national and local forces framing and informing processes of education the book thus sheds light on the complex relationship between educational policy and everyday life experiences of the urban poor in Kathmandu a hitherto understudied segment of the Nepalese society
