Contemporary Sport Marketing James J. Zhang, Brenda G. Pitts, 2017-02-17 The international nature of the sport industry requires a global approach to sport marketing practices. Organisations need to develop a good understanding of the laws, regulations, values, and norms of the countries and cultures in which they operate. This book brings together world leading sport marketing scholars from 11 countries to address the most important global, regional, national, and community marketing issues in sport today. Presenting the latest cutting edge research from countries including India, China, the UK, and the USA, it includes case studies on successful marketing strategies in sports ranging from football and hockey to baseball and motor racing. The book combines both qualitative and quantitative studies to explore key topics such as sport marketing in a globalized marketplace, corporate social responsibility, and sponsorship in sporting events, the Olympic brand image and its values, sport consumer behaviour, and customer satisfaction, new digital marketing channels.

Contemporary Sport Marketing: Global perspectives is vital reading for all students and scholars of sport marketing, sport business, and sport management, as well as for any professional working in the sport industry.

The Ways Women Age Abigail T. Brooks, 2017-03-07 Set against the backdrop of commercialized medicine in the United States, the author investigates the anti aging craze from the perspective of women themselves, examining the rapidly changing cultural attitudes, pressures, and expectations of female aging. The women's stories in this book are personal biographies that explore identity and body image and are reflexively shaped by beauty standards, expectations of femininity, and an increasingly normalized climate of cosmetic anti aging intervention.
