Sports Hall Of Fame Congratulations Letter:

Water Polo the Y's Way Chuck Hines, 2008-12-17 CHUCK HINES enjoyed a 40 year career with the YMCA during which he was a strong advocate of the Olympic sport of water polo. He was a three time All America player and he coached teams at three YMCAs that won national championships. His teams all started out at the beginning level in small pools and with insufficient equipment and fought their way to the top. This book is the story of those teams and their rags to riches achievements. The author has written two instructional texts on water polo and has served as chairman of national committees for the Amateur Athletic Union, American Swimming Coaches Association and YMCA of the USA. He was an officer of the U S Olympic Water Polo Committee for the Games of 1972 which found the American men bringing home the bronze medal. His YMCA girls team won the gold medal at the Junior Olympics and competed at the World Women's Water Polo Club Championships in 1977. In recent years he has been a historian for the sport writing numerous articles for the YMCAs national magazine and the Water Polo Planet web site. Now retired and a member of the Western North Carolina Sports Hall of Fame, Mr. Hines and his wife Lee and family members reside in Asheville, North Carolina. *Assembly*, 1987

Annual Michigan Sports Hall of Fame Michigan Sports Hall of Fame, Breaking Through Milton S. Katz, 2010-07-01 Winner William Rockhill Nelson Award John B. McLendon was the last living prot g of basketball s inventor Dr James Naismith and one of the top ten basketball coaches of the century in Billy Packer s opinion. McLendon s amazing records in college and pro basketball earned him a spot in the Basketball Hall of Fame, the first black coach to be inducted and his coaching philosophy has had a huge influence on basketball coaches. *Breaking Through* is also a powerful and inspirational story about segregation and a champion s struggle for equality in the 1940s and 50s. *America Black Magic* ESPN s Peabody Award winning documentary about players and coaches who attended historically black colleges and universities covers many of the events in McLendon s life that Katz writes about in his book.
