childhood and teenage years his career with the Baltimore Orioles his years with the Brooklyn Superbas his time with the New York Yankees and his life after baseball Featuring several rare photographs many of which have not been seen in more than a hundred years Willie Keeler provides an in depth look into the life of an undersized ballplayer who forged a big career Baseball fans scholars and historians alike will find this book both informative and entertaining **Baseball Math** Christopher Jennison,2005 Educational resource for teachers parents and kids *Baseball's First Inning* William J. Ryczek,2014-11-29 This history of America s pastime describes the evolution of baseball from early bat and ball games to its growth and acceptance in different regions of the country Such New York clubs as the Atlantics Excelsiors and Mutuals are a primary focus serving as examples of how the sport became more sophisticated and popular The author compares theories about many of baseball s inventors exploring the often fascinating stories of several of baseball s oldest founding myths The impact of the Civil War on the sport is discussed and baseball s unsteady path to becoming America s national game is analyzed at length **Library Journal** ,1999 **A Fine-Looking Lot of Ball-Tossers** Richard L. McBane,2015-01-24 The Akron club s accumulation of talented ballplayers and its success against the best opposition of the time set it apart from the general development of 19th century baseball Like many of the independent baseball teams that proliferated in the 1870s and 1880s it was formed as a joint stock company by prominent citizens and businessmen Its talent led it to be raided out of existence Of the 20 men who played with the Akrons during 1881 14 played major league ball in subsequent seasons Most prominent were Hall of Famer Bid McPhee and Tony Mullane This work traces the development and play of the team from its formation in 1879 through its great 1881 season and on Biographical profiles of the players with personal and professional details are interspersed throughout Appendices include the 1881 calendar of scores and 40 box scores and compiled statistics for the 1881 season as well as the box score of the Akrons victory over the Chicagos of Cap Anson in 1880 *Tales from First Base* Brad Engel,Wayne Stewart,2013-03-01 When a batter races toward first base and fielders scramble to make a tough play anything can happen Tales from First Base is a humorous and insightful look at the players coaches and umpires who have spent time along those first ninety feet of the base path Brad Engel and Wayne Stewart check out some of the funniest players and most amusing incidents from this corner of the diamond such as the time Larry Walker and opposing cornerman Mark Grace traced out in the dirt around the bag a running conversation with each other And then there was Dick Stuart a fielder who wasn t exactly known for catching baseballs But he once caught a bounding bat that had slipped out of the hands of a hitter and later in his career received a standing ovation from a Pittsburgh crowd when he caught a hot dog wrapper on the fly Readers will also learn about the first sackers roles in some of the most famous plays of all time such as the blown call that cost Detroit pitcher Armando Galarraga a perfect game on June 2 2010 When umpire Jim Joyce later apologized to Galarraga the player graciously accepted the apology stating Nobody s perfect Packed with exclusive interviews with popular players at all positions including fan favorites Hank Aaron Jeff Bagwell Curtis Granderson Adam

LaRoche and Joe Carter this book will appeal to newcomers to the game and die hard fans alike **The Official Rules of Baseball Illustrated** David Nemec, 2020-04-14 Completely updated and expanded through the 2019 baseball season In a game that has been our national pastime since the 1850s there have been countless changes additions and adaptations to the rules of baseball But while the sport has altered considerably in recent years its essence is still deeply rooted in its early history Completely revised and updated through the 2019 baseball season David Nemec has brought back into print his renowned book The Official Rules of Baseball Illustrated Along with providing a thorough investigation into the rules of the game and how they came to be Nemec explains the reasoning behind many of the modifications both large and small and in so doing furnishes numerous examples of the specific instances that led to a particular rule being created afresh rewritten or excised from the rule book entirely Whether we re talking about the uproarious Pine Tar Game harrowing home plate collisions or the constant fine tuning through the years to maintain an equilibrium between hitting and pitching fans of all ages are given a comprehensive handbook of the pivotal incidents that shaped the game as we know it today But The Official Rules of Baseball Illustrated is much more than a textbook on the rules It is rich with illustrative anecdotes throughout the game s long history that feature many of baseball s most famous players umpires and teams as well as some of its most unsung With photographs that help bring to life some of the movers and shakers in the ways the game has evolved over time all fans of the sport will welcome adding this book to their libraries As The Glory of Their Times author Lawrence S Ritter said This is one of the most entertaining baseball books I have read in a very long time Any baseball fan young or old will find it fun **The Cumulative Book Index** , 1991 A world list of books in the English language Baseball Books Mike Shannon, 2024-10-14 It is widely and wrongly assumed that books are never so valuable as when they lie unopened before us waiting to be read Good books bear multiple readings and not merely because our memories fail us the desire to repeat a good reading experience can be its own powerful motivation And for bibliophiles books can also be works of art physical objects with an aesthetic value all their own This guide for the book loving baseball fan is written by one of the most knowledgeable collectors in the country author and editor Mike Shannon Beginning with a history of baseball books and collecting it also identifies the most sought after titles and explains how to find them what to pay and how to maintain their condition Extra Innings The Baseball Prospectus, 2012-04-03 In 1996 a brassy young team of fans produced a guide to baseball statistics Printed on a photocopier its distribution which was in the low hundreds was limited to friends family and die hard stat heads Sixteen years later the Baseball Prospectus annual regularly hits best seller lists and has become an indispensable guide for the serious fan In Extra Innings the team at Baseball Prospectus integrates statistics interviews and analysis to deliver twenty arguments about today s game In the tradition of their seminal book Baseball Between the Numbers they take on everything from steroids to the amateur draft They probe the impact of managers on the game They explain the critical art of building a bullpen In an era when statistics matter more than ever Extra Innings is an essential volume for every
