Climate Change and Sea Level Rise in South Florida Risa Palm, Toby Bolsen, 2020-01-01 South Florida is frequently cited as the part of the United State of America as most susceptible to the devastation accompanying sea level rise Several scholarly studies have shown the negative impact of coastal location in Florida on housing values Are the residents of South Florida concerned Is susceptibility to sea level rise actually affecting the housing market in terms of demand the availability of home mortgages or house prices Are people living at particular risk from sea level rise aware of this risk and more open to new information about climate change Do they support policies and laws to mitigate the pace and extent of climate change Answers to these questions are not only of general interest but they are also key to our understanding of the human dimensions of this problem This book describes the results of a detailed survey in which respondents viewed a local map displaying flooding to their own community that would result from a Category 3 hurricane in 2033 It discusses political party identification and ideology that has an overwhelming impact in shaping views about sea level rise and climate change This book has enormous implications for the effectiveness of communicating risk information The text is important if we as a nation are to design communication strategies that will lead to broader policy to combat or mitigate this risk

Geographic Traveler *The Essential Advisor* Bill Crager, Jay Hummel, 2016-05-16 Leverage the financial services evolution to maximize your firm's value The Essential Advisor presents an insightful handbook for advisors looking to navigate the changing face of financial services The industry is evolving consumers are evolving and many advisors are being left behind as old methods become less and less relevant This book shows you how to turn this shift into a positive by positioning your firm to maximize these new opportunities and deliver the results and experience increasingly expected of financial advisors You'll learn how to provide the transparency hands on interaction and around the clock access today's clients demand and how to consistently deliver service that robo advisors cannot duplicate Emerging technologies do not have to be a threat to your practice they are tools that represent opportunities to provide greater service to your clients and smart technology integration will be a hallmark of firms that survive the shift This guide provides a clear vision of the future of financial services and an indispensable management framework for maximizing your firm's future value Advisors are increasingly confused about what clients are seeking and clients are equally confused about what advisory firms offer that alternatives cannot This book helps clear the air on both sides by examining the client's perspective of financial services and helping advisors better communicate their strengths Articulate the value of your services Leverage new technology to complement your practice Capitalize on opportunities and maximize your firm's value Position your firm to benefit from the changing consumer population Financial advisors can only grow their businesses if clients know what they do know how to hire them and can access them affordably The Essential Advisor shows you to bring your firm into the future successfully **The Cleveland Rams** James C. Sulecki, 2016-10-24 In 2016 the Rams left St Louis for Los Angeles having departed L A for St Louis in 1995 and caused much heartbreak among fans NFL teams are notorious for decamping to more profitable markets and the Rams history of opportunistic moves goes back to 1946 when they left Cleveland their original hometown where fans had cheered them to a championship a month earlier The move to L A from Cleveland shocked the NFL and shook up its power structure It also jolted the all white league into reintegration prepared the way for the Browns and made the Rams the only NFL champs ever to have spent the following season in a different city This is the story of how the Rams went from a home grown Ohio team funded by local businessmen to the first major league franchise on the West Coast and how their departure jumpstarted a chain of events in Cleveland that continues to this day **Plaintiff in Chief** James D. Zirin, 2019-09-24 A comprehensive analysis of Donald Trump's legal history reveals his temperament methods character and morality Unlike all previous presidents who held distinguished positions in government or the military prior to entering office Donald Trump's political worldview was molded in the courtroom He sees law not as a system of rules to be obeyed and ethical ideals to be respected but as a weapon to be used against his adversaries or a hurdle to be sidestepped when it gets in his way He has weaponized the justice system throughout his career and he has continued to use these backhanded tactics as Plaintiff in Chief In this book distinguished New York attorney James D Zirin presents Trump's lengthy litigation history as

an indication of his character and morality and his findings are chilling if you partner with Donald Trump you will probably wind up litigating with him If you enroll in his university or buy one of his apartments chances are you will want your money back If you are a woman and you get too close to him you may need to watch your back If you try to sue him he s likely to defame you If you make a deal with him you had better get it in writing If you are a lawyer an architect or even his dentist you d better get paid up front If you venture an opinion that publicly criticizes him you may be sued for libel A window into the president s dark legal history Plaintiff in Chief is as informative as it is disturbing Islands Magazine ,2008-04 **Oh, Florida!** Craig Pittman,2016-07-05 A New York Times Bestseller Oh Florida That name That combination of sounds Three simple syllables and yet packing so many mixed messages To some people it s a paradise To others it s a punch line As Oh Florida shows it s both of these and more important it s a Petri dish producing trends that end up influencing the rest of the country Without Florida there would be no NASCAR no Bettie Page pinups no Glenn Beck radio rants no USA Today no Stand Your Ground you get the idea To outsiders Florida seems baffling It s a state where the voters went for Barack Obama twice yet elected a Tea Party candidate as governor Florida is touted as a carefree paradise yet it s also known for its perils alligators sinkholes pythons hurricanes and sharks to name a few It attracts 90 million visitors a year some drawn by its impressive natural beauty others bewitched by its manmade fantasies Oh Florida explores those contradictions and shows how they fit together to make this the most interesting state It is the first book to explore the reasons why Florida is so wild and weird and why that s okay Florida couldn t be Florida without that sense of the unpredictable unexpected and unusual lurking behind every palm tree But there is far more to Florida than its sideshow freakiness Oh Florida explains how Florida secretly subtly influences all the other states in the Union both for good and for ill *The Call to the Hall* Kevin Warneke,David C. Ogden,2018-01-26 The names on the cast bronze plaques hanging in the National Baseball Hall of Fame embody the history and drama of the sport they are the royalty of baseball Yet many inductees believed their entry into the Hall was anything but guaranteed and even some who waited by the phone for the fateful call to the Hall were stunned to hear the news Reactions to the call varied from stoicism to overwhelming emotion but for most of the 31 inductees interviewed in this book it was a moment of reflection and gratitude In other cases the call came years too late and family members received the posthumous honor **Fraud** Eric Eggers,2018-08-07 Can an election be stolen You bet it can The intrepid reporter Eric Eggers has uncovered just how easy it is to cast a fraudulent ballot canceling out your vote and in some cases deciding elections We know despite official denials that voter fraud is happening In fact Eggers shows it s rampant and it s all over the country Worse many famous civil rights organizations encourage voter fraud and frustrate its prosecution Every proposed voting security measure and every attempt to enforce existing laws is treated as an attack on the right to vote But of course the real threat to civil rights free and fair elections and the rule of law is voter fraud And in case after shocking case Eggers shows how voter fraud is subverting American democracy In his frightening and thought

provoking book Eggers highlights How so called progressive organizations promote and explain away voter fraud Why voter fraud is a growing threat and tied to illegal immigration How swing states in national elections could be swung by voter fraud
