BREAK!

# Spring Break Oklahoma 2015

**Michael D. Matthews, Richard M.  
Lerner**

## Spring Break Oklahoma 2015:

*The Decline of Nation-States after the Arab Spring* Imad Salamey, 2016-10-14 Surveying the causes of the Arab Spring and revealing the governing trends arising from it this book examines various international relation theories through the lens of the experiences of the countries in the Middle East and North Africa region It takes the events of the Arab Spring as an outcome of globalization's double movement whose integrative cultural political and security frameworks devastated nationally controlled economies undermining the nation state system and propagating a decentralized and communitarian based governance structure The consequences for many plural diverse societies were two fold autocratic nationalism was discarded while decentralized regimes representing communitarian based politics came to the fore The author reveals how the formulation of a new communitocratic order rests on the accommodation of this newly emerging communitarianism and explores the major drivers of political transformation describing the emerging communities forecasting their governing options and the possible repercussions for the post Arab Spring states

*The Routledge International Handbook of Multidisciplinary Perspectives on Character Development, Volume II* Michael D. Matthews, Richard M. Lerner, 2024-03-29 Drawing from philosophy religion biology behavioral and social sciences and the arts The Routledge International Handbooks of Multidisciplinary Perspectives on Character Development Volumes I and II present cutting edge scholarship about the concept of character across the life span the developmental and contextual bases of character and the key organizations of societal sectors within and across nations that promote character development in individuals families and communities This second volume Moderators Threats and Contexts focuses on the moderators and covariates of character development with chapters pertaining to cultural and contextual based exemplars of character development grit achievement and resilience hope for the future and parenting and self regulation With contributions from international experts Volume II goes on to discuss threats to moral positive or virtuous character development as well as the different contexts wherein the character is studied and promoted Special attention is paid to the centers of excellence at universities around the world that specialize in character development research and character education This comprehensive publication is an essential reference for researchers and graduate students in behavioral sciences biology philosophy theology and economics as well as practitioners leading or evaluating character education or character development programs around the world Find Volume I
