Revenge is an exciting and eye opening story about a young and extremely talented rock and roll bands path to professional status and acclaim Yet its members underlying sense of justice and retribution resulting from several childhood and young adult traumas presents the band with a collective and debilitating dichotomy in that they sometimes very purposefully become vigilantes creating a shared alter ego lifestyle and while unique and noble with intent eventually sabotage themselves in terms of greater career success The main characters Paulie Bayonne lead vocals Johnny Wilson drums Rocky Reeves bass and Mickey Franz guitar have all been best friends since junior high growing up in a small city of Northern Virginia Paul and John are one year older than Mickey and Rocky and by design take on the roles of big brothers to each respectively These four experience the intoxicating highs and anguishing lows of flirting with stardom as well as all the trappings of the music business good and bad but it s the ubiquitous enigma of righteous decision and dilemma of consequence that gives this story its underlying and psychological foundation ending quite possibly with reasonable proof of the concept of guardian angels after all
