**Sri Lanka** Walter Nubin, 2002 This book provides an overview of the development of a small country which on the one hand is unique and on the other hand is also an interesting reflection and microcosm of the global economy Sri Lanka's development is one of the contrasts complicated by social conflicts and ethnic tensions Social political economic and constitutional developments are considered This is in accordance with the Sri Lankan tradition of seeing the world as a connected whole The Democratic Socialist Republic of Sri Lanka formerly known as Ceylon is an island in the Indian Ocean approximately 18 miles off the south eastern coast of India with a population of about 19 million Density is highest in the south west where Colombo the country's main port and industrial centre is located Sri Lanka is ethnically linguistically and religiously diverse Sri Lanka follows a non aligned foreign policy It participates in multilateral diplomacy particularly at the United Nations where it seeks to promote sovereignty independence and development in the developing world **Sri Lanka**

Jonathan Spencer, 2002-09-11 In the past decade Sri Lanka has been engulfed by political tragedy as successive governments have failed to settle the grievances of the Tamil minority in a way acceptable to the majority Sinhala population The new Premadasa presidency faces huge economic and political problems with large sections of the island under the control of the Indian Peace Keeping Force IPKF and militant separatist Tamil groups operating in the north and south This book is not a conventional political history of Sri Lanka Instead it attempts to shed fresh light on the historical roots of the ethnic crisis and uses a combination of historical and anthropological evidence to challenge the widely held belief that the conflict in Sri Lanka is simply the continuation of centuries of animosity between the Sinhalese and the Tamils The authors show how modern ethnic identities have been made and re made since the colonial period with the war between Tamils and the Sinhala dominant government accompanied by rhetorical wars over archeological sites and place name etymologies and the political use of the national past The book is also one of the first attempts to focus on local perceptions of the crisis and draws on a broad range of sources from village fieldwork to newspaper controversies Its interest extends beyond contemporary politics to history anthropology and development studies Economy, Culture, and Civil War in Sri Lanka Deborah Winslow, Michael D. Woost, 2004-09-02 Will be of interest to those working on conflict and peace studies economic development cultural studies and women in the modern world A key new publication Chandra R de Silva Old Dominion University offers a superb overview of how a civil war driven by ethnicity can engender a new culture and a new political economy Highly recommended Choice Economy Culture and Civil War in Sri Lanka provides a lucid and up to date interpretation of Sri Lankan society and its 20 year civil conflict An interdisciplinary examination of the relationship between the economy broadly defined and the reproduction of violent conflict this volume argues that the war is grounded not just in the goals and intentions of the opposing sides but also in the everyday orientations experiences and material practices of all Sri Lankan people The contributors explore changing political and policy contexts the effect of long term conflict on employment

opportunities and life choices for rural and urban youth life histories memory and narratives of violence the economics of enlisting and individual decisions about involvement in the war and nationalism and the moral debate triggered by women s employment in the international garment manufacturing industry Contributors are Francesca Bremner Michele Ruth Gamburd Newton Gunasinghe Siri T Hettige Caitrin Lynch John M Richardson Jr Amita Shastri Deborah Winslow and Michael D Woost      **Kalyana Mitra: Volume 1** Prof. Katta Narasimha Reddy, Prof. E. **Asian Migrations** Beatriz P. Lorente,2005 The migration of people within and beyond Asia no longer takes the form of permanent ruptures uprooting and resettlement Today such movement is more likely to be transient and complex ridden with disruptions and detours and based on translocal interconnections between places and multiple chains of movement Written from various disciplinary perspectives this collection of essays explores the migration experiences of a wide spectrum of people from professional and managerial elites to contract workers and refugees In addressing the nature of these Asian migrations the authors demonstrate how mobility in today s world has transformed notions of citizenship and identity and of displacement and home

**Resources in Education** ,1996-04 **The Concept of the Buddha** Guang Xing,2005 Guang Xing gives an analysis of one of the fundamental Mahayana Buddhist teachings namely the three bodies of the Buddha the trikaya Theory which is considered the foundation of Mahayana philosophy He examines how and why the philosophical concept of three bodies was formed particularly the Sambhogakaya which is the Buddha to be worshipped by all Mayahanists Written in an accessible way this work is an outstanding research text for students and scholars of Mayahana Buddhism and anyone interested in Buddhist philosophy

*Encountering Kali* Rachel Fell McDermott,Jeffrey John Kripal,2005-01-01 Encountering Kali explores one of the most ramarkable divinities the world has seen The Hindu goddess Kali is simultaneously understood as a blood thirsty warrior a deity of ritual possession a tantric sexual partner and an all loving compassionate mothe Popular and scholarly interest in her has been on the rise in the west in recent years Responding to this phenomenon McDermott and Kripal s volume focuses on the complexities involved in interpreting Kali in both her indigenous south Asian settings and her more recent Western incarnation Through the shifting lenses of scriptural history temple architecture political reflection and the goddess s recent guises on the Internet the contributors pose questions that illuminate our understanding of Kali while addressing the problems and promises inherent in every act of cross cultural interpretation

Leveling Crowds Stanley J. Tambiah,2023-04-28 Ethno nationalist conflicts are rampant today causing immense human loss Stanley J Tambiah is concerned with the nature of the ethno nationalist explosions that have disfigured so many regions of the world in recent years He focuses primarily on collective violence in the form of civilian riots in South Asia using selected instances in Sri Lanka Pakistan and India He situates these riots in the larger political economic and religious contexts in which they took place and also examines the strategic actions and motivations of their principal agents In applying a wide range of social theory to the problems of ethnic and religious violence Tambiah pays close attention to the history and culture of the region On one level this provocative book is a scrupulously detailed anthropological and historical study but on another it is an attempt to understand the social and political changes needed for a more humane order not just

in South Asia but throughout the world Ethno nationalist conflicts are rampant today causing immense human loss Stanley J Tambiah is concerned with the nature of the ethno nationalist explosions that have disfigured so many regions of the world in recent years He focuses primarily on colle *Buddhism and Politics in Twentieth Century Asia* Ian Harris,2010-07-15 In this study a team of international scholars assess the manner in which Buddhist organizations and individuals have resisted come to terms with or in some cases allied themselves with the forces of war modernity westernization nationalization capitalism communism and ethnic conflict By examining issues such as left right divisions in the monastic order the rise of organized lay movements Buddhist social activism as well as explicitly Buddhist inspired political activity this book seeks to demonstrate that the emphasis on meditation and mental training is only one strand in this richly complex world historical tradition

*Local Science Vs. Global Science* Paul Sillitoe,2009 Technological capability has led through Euro American global domination to the muting of other cultural views and values even threatening their continued existence There is a growing realization that the diversity of knowledge systems demand respect some refer to them in a conservation idiom as alternative knowledge banks The scientific perspective is only one We now have many examples of the soundness of local science and practices some previously considered primitive and in need of change However this book goes beyond demonstrating the soundness of local science and arguing for the incorporation of others knowledge in development to maintain that we need to look quizzically at the foundations of science itself and further challenge its hegemony not only over local communities in Africa Asia the Pacific and elsewhere but also the global community Publisher *Parties and Political Change in South Asia* James Chiriyankandath,2016-04-14 Over the past seven decades and more political parties have become an essential feature of the political landscape of the South Asian subcontinent serving both as a conduit and product of the tumultuous change the region has experienced Yet they have not been the focus of sustained scholarly attention This collection focuses on different aspects of how major parties have been agents of and subject to change in three South Asian states India Pakistan and Sri Lanka examining some of the apparent paradoxes of politics in the subcontinent and covering issues such as gender religion patronage clientelism political recruitment and democratic regression Recurring themes are the importance of personalities and the corresponding neglect of institutionalisation and the lack of pluralism in intraparty affairs factors that render parties and political systems vulnerable to degeneration This book was published as a special issue of Commonwealth and Comparative Politics *Contemporary Religiosities* Bruce Kapferer,Kari Telle,Annelin Eriksen,2010-08-01 The last decade has seen an unexpected return of the religious and with it the creation of new kinds of social forms alongside new fusions of political and religious realms that high modernity kept distinct For a fuller understanding of what this means for society in the context of globalization it is necessary to rethink the relationship between the religious and the secular the contributors all leading scholars in anthropology do just that some even arguing that secularization itself now takes a religious form Combining theoretical reflection with vivid ethnographic explorations this essential collection is designed to

advance a critical understanding of social and personal religious experience in today's world      **Wetlands of Tropical and Subtropical Asia and Africa** Thammineni Pullaiah, 2025-03-13 A comprehensive survey of exemplary wetlands that highlights their importance for local livelihoods as well as for global biodiversity Covering 17 different regions Wetlands of Tropical and Subtropical Asia and Africa provides detailed information on some of the world's most important wetlands and wetland types across those countries as well as their current and potential biological resources Each wetland is analyzed by a regional expert Written with UN sustainable development goals in mind Wetlands of Tropical and Subtropical Asia and Africa includes information on Recommendations for the sustainable management of wetlands in the Asian and African tropics The importance of sustaining local economic livelihoods in each wetland region by providing food resources as well as recreational opportunities Wetland ecosystem services including carbon sequestration water filtration nutrient retention and flood mitigation Threats to the integrity of each wetland region as well as management strategies and practical conservation and restoration measures Wetlands of Tropical and Subtropical Asia and Africa is an essential reference on the subject for ecologists conservation scientists hydrologists and environmental and water resource managers Governmental agencies and professionals in fisheries agriculture and rural development will also find value in the book      *Muslim Minority-State Relations* Robert Mason, 2016-04-08 This volume explores the dominant types of relationships between Muslim minorities and states in different parts of the world the challenges each side faces and the cases and reasons for exemplary integration religious tolerance and freedom of expression By bringing together diverse case studies from Europe Africa and Asia this book offers insight into the nature of state engagement with Muslim communities and Muslim community responses towards the state in turn This collection offers readers the opportunity to learn more about what drives government policy on Muslim minority communities Muslim community policies and responses in turn and where common ground lies in building religious tolerance greater community cohesion and enhancing Muslim community state relations      *The Way to Build a Community with a Shared Future for Mankind* [No.6] Wang Linggui, Zhao Jiangli, 2019-11-01 No 6 2018

**Mistrusting Refugees** E. Valentine Daniel, John Chr. Knudsen, 2023-04-28 The twentieth century has seen people displaced on an unprecedented scale and has brought concerns about refugees into sharp focus There are forty million refugees in the world 1 in 130 inhabitants of this planet In this first interdisciplinary study of the issue fifteen scholars from diverse fields focus on the worldwide disruption of trust as a sentiment a concept and an experience Contributors provide a rich array of essays that maintain a delicate balance between providing specific details of the refugee experience and exploring corresponding theories of trust and mistrust Their subjects range widely across the globe and include Palestinians Cambodians Tamils and Mayan Indians of Guatemala By examining what individuals experience when removed from their own culture these essays reflect on individual identity and culture as a whole This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give
