**EXTENDED OPTIMUM™**  
USED TRUCK COVERAGE

Your used truck is your money, meaning any downtime can cost you. Uptime is the name of the game, which is why we've introduced Extended OPTIMUM™ coverage, OEM protection for trucks without a current warranty that out-covers the competition. Let's keep your rig running...until the job is done.

- Extended OPTIMUM helps improve uptime, because repair work is pre-approved (no delays waiting for approvals to diagnose and repair). Certified Freightliner®, Western Star®, and Detroit® technicians get your truck back on the road sooner.
- Coverage is administered by the manufacturer of your truck—the Pros who know how hard you work your truck and which components and systems most need protection.
- Unlike third-party warranties, Extended OPTIMUM has no caps, no deductibles, and no aggregate limits. You spend less on out-of-pocket expenses over the long run.
- Both parts and labor are covered.
