Travels with CJ by rog Roger Keith Kallenbach,Carol Jane Kallenbach,2022-02-03 This is a book about CJ and me
traveling life s road with family and friends It dares to share many of our stories sometimes revealing some of our dreams
and telling of our challenges our travels our homes some of our successes as well as some of our failings Stories that disclose
who we are who we were who we have become and at times who we think we are Stories about some of what we believe and
sometimes why we believe what we believe We hope that our stories build a bridge from where we were to where we are and
they are inviting enough to encourage you to walk into our space and time and help you discover why you are of so much
value to the world we all live and make a difference in Some of our stories help us realize that we especially we who are born
in the United States even in some of the direst circumstances are born with the potential of becoming incredibly wealthy
through the gift of love even as our bank accounts struggle to maintain a mediocre balance It is our hope that many of our
stories will pass the peace of God unto you and among you all The Red Pick-Up Truck Mystery George S.

Above All Pray Zakariah Ali, 2022-02-03 I was quite a good student of the bible that could stand on my own against Jehovah s Witnesses and a Seventh Day Adventist roommate But by the time I went to college I had relapsed in bible studies with the conclusion that only the great commandment mattered or was essential for my wellbeing Matt 22 36aEUR40 Teacher which is the great commandment in the law Jesus said to him You shall love the Lord your God with all your heart with all your soul and with all your mind This is the first and great commandment And the second is like it aEUR You shall love your neighbor as yourself On these two commandments hang all the Law and the Prophets If the Lord says that the law and prophets are based on these two commandments why do I have to bother with the finer points of the law and prophets instead of striving to love the Lord and my neighbor When my life unraveled after college I conflated two bible passages into one Matt 6 33 But seek ye first the kingdom of God and his righteousness and all these things shall be added unto you Luke 17 21 Neither shall they say Lo here Or lo there For behold the kingdom of God is within you I was skeptical but had no recourse with my back against the wall than seek for the kingdom of God within me according to the Holy Bible I concluded or realized in the end that one does not have to be a person of faith or believer in the existence of God to find God within according to the bible But once you find the kingdom of God within you will never be the same again This is the result of my search for the kingdom of God within me it changed me and I have never been the same again since I touched the kingdom of God within me in mid aEUR seventies
