Rondie Ervin Harris, 2013-11-01 So many people are defeated by life's trials and tribulations because they put their trust in man and not in God. Trials will always occur in some form or fashion in our lives. We are either entering a trial in the midst of a trial or getting over a trial. When we go through trials, we all react differently, especially when we face fiery trials and tribulations. Your fiery trial may be different than mine. Fiery trials may involve your health, finances, family problems, addictions, legal problems, homelessness, and poverty. Some people react to trials through worldly solutions such as alcohol, drugs, and searching for answers in all the wrong places from all the wrong people. Some people check out completely by committing suicide because they feel that there is no other way out of their circumstances. Some people go to God for answers and they find peace because they trust God to solve their problems. This book teaches us to trust God in all circumstances, no matter what our fiery trials may be. Proverbs 3:5 and 6 says, "Trust in the Lord with all your heart and lean not on your own understanding. In all your ways acknowledge him, and he shall direct your paths." We should trust God even in the fiery furnace, just like Shadrach, Meshach, and Abednego did when they had their fiery furnace trial. This book reveals how you can have hope in hopeless situations, comfort and joy in the midst of suffering, and peace in the midst of chaos when you trust God even in the fiery furnace.

From that moment forward, they want to tell the whole world what God is going to do in and through them. It's so exciting to have a promise from God. The Bible says, "Where there is no vision, the people perish." Proverbs 29:18. But when God gives us a promise

or vision it takes time to see it fulfilled Rarely is the vision for tomorrow or even the next year It s for a certain time set by God He shows it to you early but He still wants to prepare you for the journey ahead Many Christians get discouraged during this process and walk away from God But so many people in the Bible like Abraham Joseph and David had to go through years of preparation before they saw their visions fulfilled They waited a long time probably longer than most of us Be encouraged and don t let a thing called time destroy you before you even start God is for you and what He s promised He will bring to pass
