

HOW TO BUILD A TSO PARALLEL GUIDE SYSTEM

QUESTION 1: TRACK SAW COMPATIBILITY

Currently, the TSO Parallel Guide System is compatible with track saw systems from Festool, Makita, DeWalt, Milwaukee, Rigid, and Kreg's Adaptive Cutting System (ACS). It also fits on Powertec brand guide rails (specifically, those designed for Festool and Makita track saws).

QUESTION 2: MAXIMUM RIP CAPACITY

The TPG System comes with three different lengths of parallel guide T-tracks: 20", 30", and 50" lengths. Note that these lengths denote the maximum rip width capacity you can achieve once attached to the guide rail, not the physical length of the parallel guide.

QUESTION 3: GUIDE RAIL CONNECTION METHOD

When building TSO's Parallel Guide System, you'll realize that it's unique because it offers two primary methods to connect the parallel guide to your guide rail:

- TPG Adapters
- GRS-16 Guide Rail Squares

Becoming British Thom Brooks, 2016-05-24 From Syrian asylum seekers to super rich foreign investors immigration is one of the most controversial issues facing Britain today Politicians kick the subject from one election to the next with energetic but ineffectual promises to crack down while newspaper editors plaster it across front pages But few know the truth behind the headlines indeed the almost daily changes to our complex immigration laws pile up so quickly that even the officials in charge struggle to keep up In this clear concise guide Thom Brooks one of the UK s leading experts on British citizenship and a newly initiated British citizen himself deftly navigates the perennially thorny path exploding myths and exposing absurdities along the way Ranging from how to test for Britishness to how to tackle EU free movement *Becoming British* explores how UK immigration really works and sparks a long overdue

debate about how it should work Combining expert analysis with a blistering critique of the failings of successive governments this is the definitive guide to one of the most hotly disputed issues in the UK today Wherever you stand on the immigration debate Brooks s wryly observed account is the essential road map *Comparative Third Sector Governance in Asia* Samiul Hasan,Jenny Onyx,2008-01-08 Non profit organizations NGOs and other third sector organizations are increasingly playing a central role in achieving and sustaining a prosperous economy and a just civil society in countries around the world While their importance is widely acknowledged their sustainability is not guaranteed and depends to a large extent on effectiveness and accountability of their governance In Europe and North America the governance of these organizations setting directions and strategies identifying and ensuring type and quality of goods and services defining and maintaining relations among the stakeholders relating the organization to its wider society is generally seen as the role of the board of directors or the governing board In of other parts of the world specifically Asia not much is known about the organization and running of these groups The book the first of its kind establishes new theory and knowledge in the area of third sector organizations TSOs in Asia The main purpose of this book is to draw the attention of Asia s TSOs on the importance of good governance It documents variety of approaches and identifies socio cultural economic and political dynamics and impacts of different models of TSO governance The combined information from the contributions in this work will ensure the sustainability of TSOs throughout Asia Parklawn Computer Center User 's Guide ,1987
