24 **How does the author describe the relationship between the two main characters in the story?**

The image shows a dark, textured surface, likely a rock or a microscopic view of a material. The texture is granular and uneven, with various shades of dark blue, black, and grey. The surface appears to be composed of many small, irregular particles or grains. The lighting is somewhat uneven, with brighter areas towards the top and darker areas towards the bottom. The overall appearance is that of a rough, natural material.
