2ND EDITION

BY JOHN MITTENDORF

Fire Engineering

The lower half of the book cover features a dramatic illustration. It depicts two firefighters in full protective gear, including helmets and oxygen tanks, silhouetted against a massive, intense fire. The fire is a bright, glowing yellow and orange, with thick smoke rising from it. The firefighters are positioned in the foreground, looking towards the fire. The background is dark, with some structural elements of a building visible. The overall tone is serious and professional, reflecting the nature of the book's content.
