Jeff Lewis

Can also be played on the mouthpiece

The musical score for Trumpet Lip Buzzing Exercise #3 consists of seven staves. Each staff is divided into two sections: 'Listen' and 'Play'. The 'Listen' section is marked with a rest, and the 'Play' section contains a series of eighth notes. The notes are written in treble clef with a key signature of one flat (B-flat). The exercise is designed to be played on the mouthpiece or the instrument. The first staff includes the labels 'Listen' and 'Play' above the notes. The subsequent staves follow the same pattern, with the 'Listen' section marked by a rest and the 'Play' section containing the eighth notes. Trumpet Tyro Tonalization Studies Eddie Lewis, 2019-11-06 Tonalization Studies come from a system of scale exercises that make it easier for students to learn the keys as opposed to just learning finger patterns for scales. The scale exercises are setup in a way that encourage the students to think in the keys often to the point that they can self-correct when they make mistakes. The benefits of the Tonalization Studies include better sight-reading, transposition, improvisation, intonation, finger technique, tone, and range. The Tyro Tonalization studies are specifically for students with a range up to the fourth space E. We call these students Tyro students, and it is the second level of our seven skill level system. This book has exercises in seven different keys: C, F, G, D, B-flat, E-flat, and A. Tonalization Studies are range-limited and work perfectly with Eddie Lewis One Range method. You can read more about building your range using similar exercises in Eddie's book titled *One Range A Trumpet Chops Strategy Guide*.
