Teenagers are tough, and anyone who has their own needs help. Witty, enjoyable, and genuinely insightful. Get Out of My Life is now updated with how to deal with everything from social media to online threats and porn, as well as looking at all the difficult issues of bringing up teenagers, school, sex, drugs, and more. But it's the title of the second

chapter What They Do and Why that best captures the book's spirit and technique explaining how to translate teenage behaviour into its true often less complicated meaning One key mistake for instance is getting in no win conflicts instead of having the wisdom to shut up when shutting up would be the most effective albeit least satisfying thing to do Another is taking offence when the teenager views you the adult as idiotic And there's advice on what to do when this happens The message is clear parenting adolescents is inherently difficult Don't judge yourself too harshly

Running With A Dangerous Crowd Lucas Simone is not the kind of guy you mess with. He's big, he's strong, and his eyes hint at a wilder side most women can't handle. Of course that's because his predatory instincts are no metaphor; he's a genuine Grade A top quality werewolf tough enough to fight his way to dominance over the scariest pack on the West Coast. There's only one chink in his armor. Unlike most alpha dogs, Lucas has a reputation for protecting the weak and innocent. Sarah King is counting on that protective impulse; it's the only thing standing between her and certain death. There are only two problems: one, she's not quite as innocent as she'd like Lucas to believe. And two, if he doesn't stop stoking Sarah's animal lust, it's only a matter of time before her own wild side gets unleashed. A fast-paced sexy thrill ride you won't want to miss. It hooked me from the first page.
