Halpin, Margaret Seguin Anderson, 2011-11-01 William Beynon was born in 1888 in Victoria to a Welsh father and a Tsimshian mother He was an accomplished ethnographer and had a long career documenting the traditions of the Tsimshian Nisga'a and Gitksan In 1945 he attended and actively participated in five days of potlatches and totem pole raisings at Gitksan village of Gitsegukla There he compiled four notebooks containing detailed and often verbatim information about the events he witnessed For over 50 years these notebooks have seen limited circulation among specialists who have long recognized them as the most perceptive and complete account of potlatching ever recorded In Potlatch at Gitsegukla the almost 200 pages of the notebooks are published for the first time Sketches and a selection of photographs taken by Beynon

are also included augmented by photographs taken by Wilson Duff in 1952 In addition to meticulously transcribing and annotating the text of the notebooks Margaret Anderson and Marjorie Halpin provide a comprehensive introduction that puts Beynon s account into a Gitskan cultural perspective as well as extensive appendices listing names places and Gitskan terms in the notebooks There is also an excellent timeline of key events in Gitskan history by James McDonald and Jennifer Joseph William Beynon s notebooks are among the most significant written records of Northwest coast potlatching and are an unsurpassed resource documenting these activities among the Gitskan This rare first hand ethnographic account of a potlatch reveals the wonderful complexities of the events that took place in Gitsegukla in 1945 **Casa Grande, Arizona**
