Administration and expenditure of the Chancellor's departments, 2008-09 Great Britain: Parliament: House of Commons: Treasury Committee,2010-03-09 The Chancellor s departments faced extraordinary challenges during 2008 09 mainly arising from the need to respond to the emerging financial crisis and associated economic downturn The report concludes that it is very difficult to draw final conclusions regarding their level of success too much remains unfinished business It draws attention in particular to the new relationship between the Treasury and UKFI and recommends that the Government considers whether the formal terms of the relationship need some re definition in the light of experience The report is particularly concerned by the dire results for HM Revenue Customs HMRC of a cross Government staff survey pilot study The Report calls for HMRC management to publish a clear and detailed plan to provide focus and direction to their efforts to re engage with their workforce Noting a rise in customer complaints and that on average only 57 per cent of calls to HMRC contact centres were answered during 2008 09 HMRC should publish more data to enable effective scrutiny of its performance against its targets data which is essential for tax gaps to be closed and for the take up of the working tax credit to be assessed and improved The Report is critical of the failure of most departments to provide accurate and timely monthly in year figures to the Treasury Other sections of the report cover National Savings Investment the revaluation of UK statutory ports and the performance of the Royal Mint

The Rudd Government Chris Aulich,Mark Evans,2010-12-01 This

edited collection examines Commonwealth administration under the leadership Prime Minister Kevin Rudd from 2007 2010 This was a remarkable period in Australian history Rudd s government was elected in 2007 with an ambitious program for change However as the chapters in this book demonstrate these ambitions were thwarted by a range of factors not the least being Rudd s failure to press ahead when he confronted road blocks such the ETS or managing his massive agenda which constantly elevated issues to first order priority Although he started his term with stratospheric approval ratings only two years later his support had collapsed and on 24 July 2010 he became the first sitting Prime Minister to be removed by his own Party before the expiry of his first term In this book expert contributors consider the Rudd Government s policy institutional and political legacy The 14 chapters are organised into four sections outlining the issues and agendas that guided Rudd s government changes to the institutions of state such as the public service and parliament followed by discussions of key issues and policies that marked Rudd s term in office The final section examines Rudd s leadership and reflects on the personal foibles and political factors that brought his Prime Ministership undone The Rudd Government has been produced by the ANZSOG Institute for Governance at the University of Canberra It is the tenth in a series of books on successive Commonwealth administrations Each volume has provided a chronicle and commentary of major events policies and issues that have dominated successive administrations since 1983 As with previous volumes in the series contributors have been drawn from a range of universities and other organisations Publisher s website

Gender and Politics in

Kuwait Meshal Al-Sabah,2013-07-11 The role of women in politics in the Gulf is a much debated and often little understood subject in the West In Gender and Politics in Kuwait the author sheds new light on the struggle of Kuwaiti women for political participation examining both the positions women hold in society and politics and the discourses surrounding feminism and civil rights He charts the history of women and their contribution to the Kuwaiti state from independence and the writing of the constitution in the 1960s through the Iraqi occupation in 1990 to the struggle for the right to vote and stand for election in the twenty first century Drawing on the experiences of women in a range of roles in Kuwaiti society including government education employment civil society and the media this is a comprehensive examination of gender politics and its impact in the Middle East
