**Abigail Shrier**

## **Tumblr Gurly Boi Pretty:**

**The Genius of Bob's Burgers** Margaret France, 2021-12-16 Given the limitless freedom of animation why would anyone use it to make a sitcom about a struggling family owned burger place And why would audiences embrace this greasy fantasy not just by tuning in but by permanently decorating their legs and arms with images from the show and writing detailed backstories for its minor characters This book length critical study of Bob s Burgers examines the moments in which the animated sitcom exposes the chasms between generations explores gender and sexual identity and allows fans to imagine a better world Essays cover how the show can be read as a series of critiques of Steven Spielberg s early blockbusters a rejection of Freudian psychology or an examination of the artificiality of gendered behaviors through the cross casting of characters like Tina and Linda By tracing the ways that the popular reception of Bob s Burgers reflects changing cultural attitudes the essays provoke broader questions about the responsibility of popular entertainment to help audiences conceive of fantasies closer to home fantasies of loving and accepting parents of creative self assured children and of menus filled with artisanal puns *The Palgrave Handbook of Fashion and Politics* Karen M. Kedrowski, Candice D. Ortals, Lori

Poloni-Staudinger, J. Cherie Strachan, 2024-10-15 This book examines how fashion intersects with political expression in the United States and across the globe The chapters cover a diversity of perspectives including experiences of men minoritized people and women and LGBTQ persons as well as examining strategic choices by political actors ranging from dictators to elected officials and from protesters to mothers Perhaps more importantly this handbook allows chapters written about the US by mainly US based academics to be in dialogue with scholarship about other regions of the world largely written by non US and non European scholars Several chapters address regions of the world often understudied by political scientists including Africa Kenya Ethiopia Uganda Sudan Liberia Nigeria and Cameroon Asia North Korea Turkmenistan Indonesia and Pakistan and Latin America Argentina and Mexico This work goes beyond the usual analyses that cast clothing choices as trivial or constraining and shows how political actors from dictators to elected officials and from citizen activists to social movement leaders incorporate strategic choices about their clothing ranging from uniforms and business attire to hijab and traditional ethnic attire in order to advance their political agendas **More Everything Forever** Adam Becker, 2025-04-22

This wild and utterly engaging narrative Melanie Mitchell shows why Silicon Valley s heartless baseless and foolish obsessions with escaping death building AI tyrants and creating limitless growth are about oligarchic power not preparing for the future Tech billionaires have decided that they should determine our futures for us According to Elon Musk Jeff Bezos Sam Altman and more the only good future for humanity is one powered by technology trillions of humans living in space functionally immortal served by superintelligent AIs In *More Everything Forever* science journalist Adam Becker investigates these wildly implausible and often profoundly immoral visions of tomorrow and shows why in reality there is no good evidence that they will or should come to pass Nevertheless these obsessions fuel fears that overwhelm reason for example

that a rogue AI will exterminate humanity at the expense of essential work on solving crucial problems like climate change What's more these futuristic visions cloak a hunger for power under dreams of space colonies and digital immortality The giants of Silicon Valley claim that their ideas are based on science but the reality is darker they come from a jumbled mix of shallow futurism and racist pseudoscience More Everything Forever exposes the powerful and sinister ideas that dominate Silicon Valley challenging us to see how foolish and dangerous these visions of the future are

**Detrans** Mary Margaret Olohan, 2024-05-28 Transgender activists are all about speaking up unless you regret your transition and have made the journey back Then you'd better keep your mouth shut But a compelling new book gives detransitioners a voice And their testimony is unforgettable The number of teens and pre-teens persuaded they were born with the wrong body has exploded Goaded by a toxic online community and assisted by teachers doctors and even their own parents they are promptly set on the path of puberty blockers cross sex hormones and gruesome gender affirming surgeries Media and activists insist that transitioning is the happy ending to these stories But countless young people bear terrible emotional and physical scars Adding to their anguish the transgender community that once embraced them now wants to keep them quiet Now one fearless reporter Mary Margaret Olohan shares their stories Based on in-depth personal interviews Detrans exposes the unconscionable abuse these detransitioners have endured manipulative therapy sessions mental and emotional anguish botched surgeries and attempts to construct phantom body parts Their testimonies reveal a truth so disturbing that transgender activists will do anything to hide it Detrans is indispensable evidence of the life-shattering power of gender ideology

Hit Girls Nora Princiotti, 2025-06-17 An entertaining and deeply nostalgic dive into how female pop stars broke through the music industry in the 2000s and altered the cultural landscape forever from the Ringer writer and Every Single Album podcast cohost Hit Girls bridges our butterfly-clipped bedazzled past with today's music world revealing how the pop songs we belted in our bedrooms shaped everything we're streaming now Kate Kennedy New York Times bestselling author of One in a Millennial Low-rise jeans butterfly clips The Lizzie McGuire Movie and Paris Hilton's nights out The early 2000s were a time of major moments in fashion media celebrity culture and especially music The aughts were a particularly fruitful era for female artists still the only decade in the history of recorded music when women made up more than half the list of highest-grossing performers and especially pop stars Artists such as Britney Spears Taylor Swift Rihanna and Beyoncé were leading the charge their success not only leading to a new respect for female artists but for pop stardom itself In Hit Girls Nora Princiotti examines how these artists redefined the role of the pop star within the music industry and culture more broadly and fundamentally set the stage for the women who top the charts today Princiotti unpacks the shifts in genre technology and celebrity culture that sparked this evolution through the stories of the biggest names in aughties pop Like how Britney opened the bubblegum floodgates at the start of the decade inspiring both copycats like Christina Aguilera and Jessica Simpson and mall punk antagonists like Avril Lavigne and Ashlee Simpson Or how innovations in technology led to

the rise of EDM as Rihanna experimented with sound while Ke\$ha and Katy Perry embraced the party anthem Along the way Princiotti explores how celebrity evolved alongside the changes in media from the tabloid days of Lindsay Lohan to MySpace Instagram and how Taylor created one of the largest most dedicated fandoms the world has ever seen The ultimate love letter to pop music Hit Girls celebrates the women who revolutionized the genre inspired the next generation and in some cases are burning brighter than ever

*The Aesthetics of Self-Harm* Zoe Alderton, 2018-05-11 The Aesthetics of Self Harm presents a new approach to understanding parasuicidal behaviour based upon an examination of online communities that promote performances of self harm in the pursuit of an idealised beauty The book considers how online communities provide a significant level of support for self harmers and focuses on relevant case studies to establish a new model for the comprehension of the online supportive community To do so Alderton explores discussions of self harm and disordered eating on social networks She examines aesthetic trends that contextualise harmful behavior and help people to perform feelings of sadness and vulnerability online Alderton argues that the traditional understanding of self violence through medical discourse is important but that it misses vital elements of human group activity and the motivating forces of visual imagery Covering psychiatry and psychology rhetoric and sociology this book provides essential reading for psychologists sociologists and anthropologists exploring group dynamics and ritual and rhetoricians who are concerned with the communicative powers of images It should also be of great interest to medical professionals dealing with self harming patients

**Savage Appetites** Rachel Monroe, 2020-07-07 A necessary and brilliant NPR exploration of our cultural fascination with true crime told through four enthralling The New York Times Book Review narratives of obsession In *Savage Appetites* Rachel Monroe links four criminal roles Detective Victim Defender and Killer to four true stories about women driven by obsession From a frustrated and brilliant heiress crafting crime scene dollhouses to a young woman who became part of a Manson victim's family from a landscape architect in love with a convicted murderer to a Columbine fangirl who planned her own mass shooting these women are alternately mesmerizing horrifying and sympathetic A revealing study of women's complicated relationship with true crime and the fear and desire it can inspire together these stories provide a window into why many women are drawn to crime narratives even as they also recoil from them Monroe uses these four cases to trace the history of American crime through the growth of forensic science the evolving role of victims the Satanic Panic the rise of online detectives and the long shadow of the Columbine shooting Combining personal narrative reportage and a sociological examination of violence and media in the 20th and 21st centuries *Savage Appetites* is a corrective to the genre it interrogates The New Statesman scrupulously exploring empathy justice and the persistent appeal of crime

[Life Hacks](#) Girlfriend Magazine, 2016-04-26 Get all the answers with none of the awks in this essential guide to surviving and thriving as a teen girl from Australia's number one teen mag Girlfriend Life Hacks is here to answer every question that you are too embarrassed to ask Created with Girlfriend Australia's number one magazine for teen girls this is the essential guide to life covering

everything from your body mental health friends and bullying to sexuality all written in the smart cheeky style that makes Girlfriend mag so popular Girlfriend Life Hacks can be trusted to deliver all the information teens want and need without talking down to them all in a gorgeously colourful package Irreversible Damage Abigail Shrier,2020-12-11 Every parent needs to read this Helen Joyce Until just a few years ago gender dysphoria severe discomfort in one s biological sex was vanishingly rare It was typically found in less than 01 percent of the population emerged in early childhood and afflicted males almost exclusively But today whole groups of female friends in colleges and schools across the world are coming out as transgender These are girls who had never experienced any discomfort in their biological sex until they heard a coming out story from a speaker at a school assembly or discovered the internet community of trans influencers Unsuspecting parents now find their daughters in thrall to YouTube stars and gender affirming educators and therapists who push life changing interventions on young girls including medically unnecessary double mastectomies and hormone treatments that can cause permanent infertility Abigail Shrier a writer for the Wall Street Journal has talked to the girls their agonised parents and the therapists and doctors who enable gender transitions as well as to detransitioners young women who bitterly regret what they have done to themselves Coming out as transgender immediately boosts these girls social status Shrier finds but once they take the first steps of transition it is not easy to walk back *Unlikeable Female Characters* Anna Bogutskaya,2023-05-09 A fresh feminist appraisal of the pop culture canon Publishers Weekly How bitches trainwrecks shrews and crazy women have taken over pop culture and liberated women from having to be nice Female characters throughout history have been burdened by the moral trap that is likeability Any woman who dares to reveal her messy side has been treated as a cautionary tale Today unlikeable female characters are everywhere in film TV and wider pop culture For the first time ever they are being accepted by audiences and even showered with industry awards We are finally accepting that women are gasp fully fledged human beings How did we get to this point Unlikeable Female Characters traces the evolution of highly memorable female characters examining what exactly makes them popular how audiences have reacted to them and the ways in which pop culture is finally allowing us to celebrate the complexities of being a woman Anna Bogutskaya film programmer broadcaster and co founder of the horror film collective and podcast The Final Girls takes us on a journey through popular film TV and music looking at the nuances of womanhood on and off screen to reveal whether pop culture and society is finally ready to embrace complicated women Praise for Unlikeable Female Characters Fascinating insightful and kick ass Emma Jane Unsworth internationally bestselling author of Grown Ups and Animals Beautifully written Chelsea G Summers author of A Certain Hunger Part cultural expos part Taylor Swift album Clarisse Loughrey Chief Film Critic at The Independent Brilliant masterpiece breaking down the tired tropes of TV and beyond Aparna Shewakramani author of She s Unlikeable and star of Indian Matchmaking **Parisienne French** Rhianna Jones,2013-11-12 Learn the French you ve always wanted to know but never learned in class with vocabulary from the chic neighborhoods and clubs to

high fashion catwalks You've dreamed of Paris your whole life You've imagined yourself sipping a caf au lait at an outdoor bistro in the Jardin de Tuileries or browsing a fashionable boutique on the Champs Elysées or strolling along the banks of the Seine hand in hand with your handsome French lover Now is the time to realize that dream Parisienne French will have you cultured chic and most importantly casually chatting with locals as if you were raised in the City of Lights With refined phrases to express yourself at the Musée d'Orsay posh vocabulary for catching up on this season's couture fashion and hip slang for flirting at the hottest nightclub you'll effortlessly navigate the social scenes of Paris Your new eloquent French will win over any *vrai patriote* who will warmly welcome you to *la vie parisienne* *Meet Cute Diary* Emery Lee, 2021-05-04 A swoon worthy heartfelt rom com about how a transgender teen's first love challenges his ideas about perfect relationships An ALA Rainbow Booklist Selection A Junior Library Guild Selection Noah Ramirez thinks he's an expert on romance He has to be for his popular blog the *Meet Cute Diary* a collection of trans happily ever afters There's just one problem all the stories are fake What started as the fantasies of a trans boy afraid to step out of the closet has grown into a beacon of hope for trans readers across the globe When a troll exposes the blog as fiction Noah's world unravels The only way to save the *Diary* is to convince everyone that the stories are true but he doesn't have any proof Then Drew walks into Noah's life and the pieces fall into place Drew is willing to fake date Noah to save the *Diary* But when Noah's feelings grow beyond their staged romance he realizes that dating in real life isn't quite the same as finding love on the page In this charming novel by Emery Lee Noah will have to choose between following his own rules for love or discovering that the most romantic endings are the ones that go off script A poignant heartfelt story about the complexities of identity growing up and defining ourselves Kami Garcia 1 New York Times bestselling coauthor of *Beautiful Creatures* How lucky are we that this sweet subversive utter delight of a book exists *Meet Cute Diary* is here to flip tropes and flip hearts Becky Albertalli 1 New York Times bestselling author of *Imogen Obviously*
