Turned 02 Se Queer Ity:

Cities of Pleasure Alan Collins, 2013-09-13 This book contains a collection of cutting edge chapters that explore various connections between urban living sexuality and sexual desire around the world The key themes featured address a number of topical issues including the controversies and debates raging around the evolution defining patterns and appropriate regulation of commercial sex zones and markets in the urban landscape how gay public spaces districts and gay villages emerged and developed in various towns and cities around the world how changing attitudes to and the usage of urban sexual spaces as depicted in iconic television series such as Sex and the City and Queer as Folk reflect the reality of working women s or gay men s changing life experiences With detailed case studies and a strong interdisciplinary appeal this book will be a valuable reference for postgraduates and advanced students in the fields of cultural studies as well as human urban and social geography This book was previously published as a special issue of the journal Urban Studies

Born This Way Joanna Wuest, 2023-09-15 Across protests and courtrooms LGBTQ activists argue that true sex or sexuality is encoded deep down that it circulates in blood and is an expression of brain shapes and genetic codes Their opponents incite panic over luring child groomers and a contagious gender ideology which corrupts the brains and then bodies of susceptible teenagers In Born This Way Science Citizenship and Inequality in the American LGBTQ Movement Joanna Wuest tells the history of the LGBTQ rights movement the modern scientific study of gender and sexuality and the identity politics that formed at the nexus She too reveals how conservative leaders have undermined science s ability to assist equal rights campaigns reproductive rights and climate change policies alike Born This Way is at once a celebratory and cautionary tale one which delineates a minority rights movement s impressive victories its powerful and persuasive allies and the ongoing assault on equality and science alike

Spatial Justice Andreas Philippopoulos-Mihalopoulos, 2014-10-30 There can be no justice that is not spatial Against a recent tendency to despatialise law matter bodies and even space itself this book insists on spatialising them arguing that there can be neither law nor justice that are not articulated through and in space Spatial Justice presents a new theory and a radical application of the material connection between space in the geographical as well as sociological and philosophical sense and the law in the broadest sense that includes written and oral law but also embodied social and political norms More specifically it argues that spatial justice is the struggle of various bodies human natural non organic technological to occupy a certain space at a certain time Seen in this way spatial justice is the most radical offspring of the spatial turn since as this book demonstrates spatial justice can be found in the core of most contemporary legal and political issues issues such as geopolitical conflicts environmental issues animality colonisation droning the cyberspace and so on In order to agree this the book employs the lawscape as the tautology between law and space and the concept of atmosphere in its geological political aesthetic legal and biological dimension Written by a leading theorist in the area Spatial Justice Body Lawscape Atmosphere forges a new interdisciplinary understanding of space and law

Towards Tolerance Lisette Kuyper, Jurjen Iedema, Saskia Keuzenkamp, 2013 Across Europe public attitudes towards lesbian gay and bisexual LGB individuals range from broad tolerance to widespread rejection Attitudes towards homosexuality are more than mere individual opinions but form part of the social and political structures which foster or hinder the equality and emancipation of LGB citizens This report addresses the issues behind today's differences in tolerance Have attitudes towards homosexuality changed over the past 30 years Are there European countries where tolerance is increasing decreasing or not changing at all What explains differences in attitudes Can differences be attributed to levels of income or education and does religion play a major role Are tolerant attitudes found in countries with high levels of gender equality This report shows that Europe is moving towards more tolerance However different countries are moving at a very different pace and from very different starting positions In addition the biggest changes seem to have taken place between 1990 and 1999 and did not persist into the new millennium Differences are related to other values levels of income and income inequality educational attainment religious factors degree of urbanization EU membership and political systems and to links with civil society and LGB movements

Education in the Global City Aaron Koh, Terence Chong, 2017-10-02 Education in the Global City examines education in Singapore through the critical lens of manufacturing The book brings together two disparate fields which inform each other education and the global city and the book's contributors analyse and critique the manufacturing of Singapore education and Singapore's global city formation The collection covers vocational education language policies Higher Education English education critical thinking sex education creativity and critical feminist scholarship Collectively the book pries open the ideology of the manufacturing education system and points out the tension between the nation and its ideologies and the global city aspirations It also asks how education contributes to and is shaped by the market realities of Singapore's global city ambitions which are at odds with the nationalistic local agenda and priorities of nation building In interrupting and speaking against the prevailing and narrow manufacturing of education for a teleological end in spite of Singapore's successful nation building this book is an important contribution to critical education scholarship This book was originally published as a special issue of Discourse Studies in the Cultural Politics of Education

Trauma Transformed Marian C. Bussey, Judith Bula Wise, 2007 Whether it's physical psychological social historical or ongoing trauma is a universal experience and this book provides professionals with the approaches necessary for successful and empowering interventions across the trauma spectrum Part one examines the steps individuals take to heal their traumas Nicolas survives an attack by his own dog Tay rebuilds her life after years of incest Claire speaks out about being molested by a program participant at her mental health clinic and Erma copes with the shattering memories of childhood abuse Part two focuses on interpersonal dynamics Frank is held accountable for his violence toward his wife Erin and her mother confront the reality of bullying and victimization in schools Beth faces discrimination because of her sexual orientation and staff members at a transitional

housing shelter deal with the death of a client Part three recounts stories of resilience and healing at the social and community level Salome and her family process the historical trauma of the massacre of her American Indian ancestors A group of boys who became fatherless after 9 11 respond to experiential ways of coping with their grief Jennifer and Kim live daily with the social trauma of poverty Three Liberian families survive torture flight refugee camps and resettlement Amory struggles to find meaning and move on from his experience as a combat veteran and the story of Angelina Batiste epitomizes the loss and resilience of those who lived through Hurricane Katrina Trauma Transformed provides insight into the psychological and spiritual resources practitioners need to help victims move forward and improve upon their circumstances Readers will also learn to strengthen their sense of self to prevent secondary trauma

The Gentrification of Nightlife and the Right to the City Laam Hae, 2012 In *The Gentrification of Nightlife and the Right to the City* Hae explores how nightlife in New York City long associated with various subcultures of social dancing has been recently transformed as the city has undergone the gentrification of its space and the post industrialization of its economy and society This book offers a detailed analysis of the conflicts emerging between newly transplanted middle class populations and different sectors of nightlife actors and how these conflicts have led the NYC government to enforce Quality of Life policing over nightlife businesses In particular it provides a deep investigation of the zoning regulations that the municipal government has employed to control where certain types of nightlife can or cannot be located Hae demonstrates the ways in which these struggles over nightlife have led to the gentrification of nightlife while infringing on urban inhabitants rights of access to spaces of diverse urban subcultures their right to the city The author also connects these struggles to the widely documented phenomenon of the increasing militarization of social life and space in contemporary cities and the right to the city movements that have emerged in response The story presented here involves dynamic and often contradictory interactions between different anti pro nightlife actors illustrating what actually existing gentrification and post industrialization looks like and providing an urgent example for experts in related fields to consider as part of a re theorization of gentrification and post industrialization

The Queering of Corporate America Carlos A. Ball, 2019-11-12 An accurate picture of the LGBTQ rights movement s achievements is incomplete without this surprising history of how corporate America joined the cause Legal scholar Carlos Ball tells the overlooked story of how LGBTQ activism aimed at corporations since the Stonewall riots helped turn them from enterprises either indifferent to or openly hostile toward sexual minorities and transgender individuals into reliable and powerful allies of the movement for queer equality As a result of street protests and boycotts during the 1970s AIDS activism directed at pharmaceutical companies in the 1980s and the push for corporate nondiscrimination policies and domestic partnership benefits in the 1990s LGBTQ activism changed big business s understanding and treatment of the queer community By the 2000s corporations were frequently and vigorously promoting LGBTQ equality both within their walls and in the public sphere Large companies such as American Airlines Apple Google Marriott and Walmart have been crucial allies

in promoting marriage equality and opposing anti LGBTQ regulations such as transgender bathroom laws At a time when the LGBTQ movement is facing considerable political backlash The Queering of Corporate America complicates the narrative of corporate conservatism and provides insights into the future legal political and cultural implications of this unexpected relationship

The Encyclopedia of New York City Kenneth T. Jackson, Lisa Keller, Nancy Flood, 2010-12-01 Covering an exhaustive range of information about the five boroughs the first edition of The Encyclopedia of New York City was a success by every measure earning worldwide acclaim and several awards for reference excellence and selling out its first printing before it was officially published But much has changed since the volume first appeared in 1995 the World Trade Center no longer dominates the skyline a billionaire businessman has become an unlikely three term mayor and urban regeneration Chelsea Piers the High Line DUMBO Williamsburg the South Bronx the Lower East Side has become commonplace To reflect such innovation and change this definitive one volume resource on the city has been completely revised and expanded The revised edition includes 800 new entries that help complete the story of New York from Air Train to E ZPass from September 11 to public order The new material includes broader coverage of subject areas previously underserved as well as new maps and illustrations Virtually all existing entries spanning architecture politics business sports the arts and more have been updated to reflect the impact of the past two decades The more than 5 000 alphabetical entries and 700 illustrations of the second edition of The Encyclopedia of New York City convey the richness and diversity of its subject in great breadth and detail and will continue to serve as an indispensable tool for everyone who has even a passing interest in the American metropolis

Same Sex Intimacies Catherine Donovan, Brian Heaphy, Jeffrey Weeks, 2003-09-02 Our families are increasingly a matter of choice and the choices are widening all the time This is particularly true of the non heterosexual world where the last ten years have seen a popular acceptance of same sex partnerships and to a lesser extent of same sex parenting Based on extensive interviews with people in a variety of non traditional relationships this fascinating new book argues that these developments in the non heterosexual world are closely linked to wider changes in the meaning of family in society at large and that each can cast light on the other Same Sex Intimacies gives vivid accounts of the different ways non heterosexual people have been able to create meaningful intimate relationships for themselves and highlights the role of individual agency and collective endeavour in forging these roles as friends partners parents and as members of communities This topical book will provide compelling reading for students of the family sexuality and lesbian and gay studies

Same Sex in the City Lauren Blitzer, Lauren Levin, 2012-12-11 At last lesbian culture is becoming more visible in the mainstream media From The O C to The L Word gay women and the occasional bi curious straight girl are portrayed

coming to terms with their sexuality and embracing it But the journey from sexual curiosity to finally coming out can be confusing without proper guidance and empowering role models Lauren Blitzer and Lauren Levin know first hand the challenges that lesbian women face in our society and SAME SEX IN THE CITY is their uplifting and at times irreverent response The Laurens are both prominent figures in the New York lesbian community though their stories are very different Here they relate their own experiences and those of the women they interview as well as offer serious advice alluring anecdotes and a positive attitude for girls who know they re gay and those who are wondering about their sexuality but are not yet sure whether their Prince Charming is really a Cinderella Part confessional part informational SAME SEX IN THE CITY covers the gamut of lesbian life from dating to heartbreak from hooking up with straight chicks to being out at work It s the book that millions of women have been searching for a step by step guide that will help every woman come to terms with and celebrate her sexuality whatever it may be

Public Religion and the Politics of Homosexuality in Africa Adriaan van Klinken,Ezra Chitando,2016-04-14 Issues of same sex relationships and gay and lesbian rights are the subject of public and political controversy in many African societies today Frequently these controversies receive widespread attention both locally and globally such as with the Anti Homosexuality Bill in Uganda In the international media these cases tend to be presented as revealing a deeply rooted homophobia in Africa fuelled by religious and cultural traditions But so far little energy is expended in understanding these controversies in all their complexity and the critical role religion plays in them This is the first book with multidisciplinary perspectives on religion and homosexuality in Africa It presents case studies from across the continent from Egypt to Zimbabwe and from Senegal to Kenya and covers religious traditions such as Islam Christianity and Rastafarianism The contributors explore the role of religion in the politicisation of homosexuality investigate local and global mobilisations of power critically examine dominant religious discourses and highlight the emergence of counter discourses Hence they reveal the crucial yet ambivalent public role of religion in matters of sexuality social justice and human rights in contemporary Africa

Critical Queer Studies Casey Charles,2016-04-22 Critical Queer Studies examines contemporary films and documentaries that dramatize the intersection of law and queer life analyzing the effects of legal doctrines jury selection unwanted sexual advance negligence hate crimes and gay marriage on the production and reception of queer film and fiction Exploring the interaction of these discourses by discussing internationally known American films the book demonstrates how the law maintains its hold over the queer subject through promoting certain ideological fictions and conversely how film and literature draw upon the material realities of queer legal status to dramatize conflicts between law and the marginalized subject Critical Queer Studies synthesizes queer studies law and literature and film studies engaging these fields to show how the struggle for gay and lesbian rights has influenced the production of film and fiction
