The Outsiders William Thorndike, 2012 It's time to redefine the CEO success story Meet eight iconoclastic leaders who helmed firms where returns on average outperformed the S P 500 by more than 20 times *Summary of William*

Thorndike's The Outsiders Everest Media, 2022-05-15T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The difference between the strategies of Murphy and Paley was that Murphy's goal was to make his company more valuable while Paley's goal was to make CBS larger Murphy's peers at other media companies did not follow this path but instead tended to follow fashion and diversify into unrelated businesses 2 Roll ups are a type of acquisition in which a company acquires a series of businesses attempts to improve operations and then keeps acquiring benefiting over time from scale advantages and best management practices This concept came into vogue in the mid to late 1990s and flamed out in the early 2000s as many of the leading companies collapsed under the burden of too much debt 3 Murphy was a product manager for consumer packaged goods giant Lever Brothers in New York City until he decided to move to Albany and buy a struggling UHF TV station in 1954 He turned it into a cash generator by improving programming and aggressively managing costs 4 Murphy was CEO of Capital Cities from 1967 to 1980 He bought several small dailies in the early 1970s and in 1974 bought the Fort Worth Telegram and the Kansas City Star In 1984 he bought the ABC Network and its broadcasting assets **Summary Of The Outsiders by William Thorndike** thomas francis, 2023-10-16 The

Outsiders by William Thorndike The distinction between Murphy and Paley's approaches lay in their goals Murphy aimed to enhance his company's value while Paley sought to expand CBS's size Contrary to Murphy's peers in other media firms who tended to diversify into unrelated businesses Murphy's strategy stood out for its focus Roll ups a form of acquisition involve a company acquiring a series of businesses improving operations and continuing to acquire more benefiting from scale advantages and effective management practices over time This concept gained popularity in the late 1990s but waned in the early 2000s due to excessive debt leading to the collapse of prominent companies Grab a copy to learn more Strategy for Executives: 2019 Edition Sun Wu, 2019-03-01 Strategy for Executives is the only business strategy book that you and your teams will ever need This book presents a self-contained strategy framework that introduces the core concepts of business strategy and its associated tools from scratch so that you don't need any previous knowledge or experience It gradually takes you from the basics and fundamentals of strategy to a level of depth that even if you're an experienced executive you will still find relevant and useful More specifically Strategy for Executives will help you Learn the fundamental concepts of business strategy from scratch Create a solid plan to protect your core business from erosion and commoditization Maximize your organization's valuation with our seven different paths to grow Ensure the implementation of your strategy using our execution system Understand capital allocation and how it can help you achieve your organization's goals It also includes a complementary downloadable mindmap and other tools which you can access for free at strategyforexecs.com This

framework is based on extensive multi year research led by Sun Wu a seasoned Fortune 500 executive where he and his team broke down the most popular strategy frameworks of the last 40 years extracted their core ideas and tied them all together into a single didactical and self contained body of knowledge The idea is to build your strategy knowledge from the ground up through a unified framework avoiding the confusion that comes from learning this complex but critical subject from different sources It combines Sun Wu s over 15 years of real life experience complemented by a thorough revision of more than 300 books and research papers and over 500 hours of videos interviews and formal training The final result is a concise guide that will help you understand and build a winning strategy from the ground up supported by numerous examples of modern organizations including General Electric Amazon Netflix HBO NextEra Energy Kodak Google GoPro McKinsey Co Rolls Royce Walmart Uber Align Technology United Parcel Service UPS FedEx Sony IBM Dr Pepper Snapple Square and Procter Gamble among others Since every concept is explained from scratch Strategy for Executives currently in its 2019 edition is the only strategy framework that you and your teams will ever need *The Illiterate Executive* Blair
