

What was it like to grow up in the same house with Jesus of Nazareth? In this fictional work, supported by biblical and historical sources, the author describes the daily life of Jesus of Nazareth and in so doing brings a sense of His humanity closer to our understanding. Written, as it were, by the youngest daughter of Joseph and Mary, it is an intimate and powerful look behind the scenes into the life of the One who changed the world.

Guandong ,2021-06-02 This book isn t about being rich or poor but I like to think that when Bill Gates said this he meant that if you were born unhappy it s not your fault because it is your responsibility to create your happiness Creating an environment of contentment is up to you The world we live in is unfair and so many out there are bearing with not one but several forms of injustice Sadly though there isn t a damn thing we can do about it An idealistic world is very different than the real world The idealistic world doesn t consider differences in religious or financial backgrounds it does not consider a person s colour of skin before deciding whether or not they are worth talking but our world does There are thousands of books already published about the cancer that racism is This book isn t regarding racism but it would be impossible to write it out completely since it is a part of my life story It entails the rather cruel life I led the lessons I learned as well as the thrill of living life through my eyes This book will show you the injustices that such a significant portion of the entire population is going through but no one says anything because it s just not worth it B D Guandong was born into an oppressive regime led by the Muslims in Sudan it was the oppressive regime that stated in 1955 Having been born into this regime that transgressed the boundaries between humanity and cruelty He went through terrible times and in this book he tells his story Bayak has always been a firm believer in equality across all religions and ethnicities He spent most of his life trying to reach a point where he could tell his story and now he hopes to raise awareness about these long ignored issues **Through Their Eyes** Carmen Ogert,2022-01-10 This story

goes through the life of each mental illness as an entity Each mental illness is given a chance to roam the Earth Nobody can see or hear them but they can feel the effects of being in their shadow This story will also include a look into the life of someone affected by each mental illness My hope is that this story and the other stories to come will shed some light on mental illnesses and make them not seem as scary to people who have them or know someone who does It will also show how hurtful it is to know someone with the illness or to be the person with the illness No mental illness isn't a joke in fact it's very real This story explains how real mental illness is but also gives each mental illness a side of the story too **An Ordinary**
