A Degraded Caste of Society Andrew T. Fede, 2024-10-01 *A Degraded Caste of Society* traces the origins of twenty first century cases of interracial violence to the separate and unequal protection principles of the criminal law of enslavement in the southern United States Andrew T Fede explains how antebellum appellate court opinions and statutes when read in a context that includes newspaper articles and trial court and census records extended this doctrine to the South s free Black people consigning them to what South Carolina justice John Belton O Neall called a degraded caste of society in which they were in no respect on a perfect equality with the white man This written law either criminalized Black insolence or privileged private white interracial violence which became a badge of slavery that continued to influence the law in action contrary to the Constitution s mandate of equal protection of the criminal law The U S Supreme Court enabled this denial of equal justice as did Congress which did not make all private white racially motivated violence a crime until 2009 when it adopted the Matthew Shepard and James Byrd Jr Hate Crimes Prevention Act Fede s analysis supports that law s constitutionality under the Thirteenth Amendment while suggesting why during the Jim Crow era and beyond equal protection of the criminal law was not always realized and why the curse of interracial violence has been a lingering badge of slavery

The Good The Bad and The Ugly 175

Western Novels Short Stories in One Edition is a comprehensive anthology that captures the essence of the Western genre through a diverse tapestry of narratives. This collection delves into the themes of rugged individualism, frontier justice, and the unyielding spirit of the American West. It spans a broad range of literary styles, from action-packed adventures and moral tales to poignant character studies and satirical reflections on frontier life. Without attributing standout pieces to individual authors, the anthology as a whole offers a multifaceted exploration of the human condition set against the backdrop of a rapidly changing wilderness. The contributing authors, including luminaries such as Mark Twain, Bret Harte, and Willa Cather, bring their unique experiences and distinct perspectives to the forefront, collectively enriching this anthology. These writers, some of whom were key figures in the late 19th and early 20th centuries, share narratives that align with diverse cultural and literary movements, from Realism to the Pulp fiction era. Together, they create a conversation across time, providing deeper insights into the ethos of the West as it intersects with evolving American identities. This anthology is a treasure trove for those who wish to journey through the vast landscapes of Western literature and explore the multiplicity of voices that have shaped its tradition. Readers are invited to immerse themselves in this expansive collection, which serves both as an educational resource and a gateway to understanding the complex interplay of history, culture, and individual narratives. Whether for academic study or personal enrichment, this edition offers a rare dialogue between stories that challenge, illuminate, and entertain, granting a timeless glimpse into the Western genre's enduring allure.

One Drop Rule Pamela Thornton, 2015-01-02

This is what time has been waiting for: another historical fictional writer who takes you back in time to an era that defined the rich history of America's past. If you love the writing styles of Zora Neale Hurston or Ernest J. Gaines, then you will love this book of short stories. These stories are about Black African American people who were labeled with many names, one such as colored people. This meant they had all shades: light brown, caramel, and dark skin, you pick. The thing that holds these stories together is they are about people who not only have African blood but European blood also. It was funny how they had European blood and some even looked like them but was never credited with having it. The One Drop Rule was a law that stated that if a person had one drop of mixed, per say Black African American blood in them, they were considered black or Negro. The stories are not based on true characters but based on some factual things that the Negro mixed race went through in America at that time.

One Drop Rule A Of Short Stories 2nd Ed: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthraling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. One Drop Rule A Of Short Stories 2nd Ed : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Pape, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
