C. Conant, Thomas J. Conant, 2003-09-12 [The Canon of Scripture](#) F. F. Bruce, 2025-07-03 Winner of two 1990 Christianity Today Awards Readers Choice 1st place theology doctrine and Critics Choice 1st place theology doctrine A 1989 ECPA Gold Medallion Award winner How did the books of the Bible come to be recognized as Holy Scripture Who decided what shape the canon should take What criteria influenced these decisions After nearly nineteen centuries the canon of Scripture remains an issue of debate Protestants Catholics and Orthodox all have slightly differing collections of documents in their Bibles Martin Luther one of the early leaders of the Protestant Reformation questioned the inclusion of the book of James in the canon And many Christians today while confessing the authority of all of Scripture tend to rely on only a few books and particular themes while ignoring the rest Scholars have raised many other

questions as well. Research into second century Gnostic texts have led some to argue that politics played a significant role in the formation of the Christian canon. Assessing the influence of ancient communities and a variety of disputes on the final shaping of the canon call for ongoing study. In this significant historical study F F Bruce brings the wisdom of a lifetime of reflection and biblical interpretation to bear on questions and confusion surrounding the Christian canon of Scripture. Adept in both Old and New Testament studies he brings a rare comprehensive perspective to the task. Though some issues have shifted since the initial publication of this classic book it remains a significant landmark and touchstone for further studies.

**The Secret Message of Jesus** Brian D. McLaren, 2007-04-01 When Brian McLaren began offering an alternative vision of Christian faith and life in books such as *A New Kind of Christian* and *A Generous Orthodoxy* he ignited a firestorm of praise and condemnation that continues to spread across the religious landscape. To some religious conservatives McLaren is a dangerous rebel without a doctrinally correct cause. Some fundamentalist websites have even claimed he is in league with the devil and have consigned him to flames. To others though Brian is a fresh voice, a welcome antidote to the staleness, superficiality and negativity of the religious status quo. A wide array of people from Evangelical, Catholic and Mainline Protestant backgrounds claim that through his books they have begun to rediscover the faith they lost or rejected. And around the world many readers say that he has helped them find for the first time in their lives a faith that makes sense and rings true. For many he articulates the promise of what is being called emerging Christianity. In *The Secret Message of Jesus* you will find what is at the center of Brian's critique of conventional Christianity and what is at the heart of his expanding vision. In the process you will meet a Jesus who may be altogether new to you, a Jesus who is Not the crusading conqueror of religious broadcasting, Not the religious mascot of partisan religion, Not heaven's ticket checker whose words have been commandeered by the church to include and exclude, judge and stigmatize, pacify and domesticate. McLaren invites you to discover afresh the transforming message of Jesus, an open invitation to radical change, an enlightening revelation that exposes sham and ignites hope, an epic story that is good news for everyone, whatever their gender, race, class, politics or religion. Pastor and best selling author McLaren revisits the gospel material from a fresh and at times radical perspective. He does an excellent job of capturing Jesus' quiet revolutionary style. Publishers Weekly starred review. Here McLaren shares his own ferocious journey in pondering the teachings and actions of Jesus. It is McLaren's lack of salesmanship or agenda that creates a refreshing picture of the man from Galilee who changed history. Donald Miller, Author of *Blue Like Jazz*. In this critical book Brian challenges us to ask what it would mean to truly live the message of Jesus today and thus to risk turning everything upside down. Jim Wallis, Author of *God's Politics* and editor of *Sojourners*. Compelling, crucial and liberating, a book for those who seek to experience the blessed heat of Christianity at its source. Anne Rice, Author of *Christ the Lord*. Out of Egypt. *The Secret Behind the Cross and Crucifix* Nwaocha Mind Ogechukwu, 2010-07-17 What do you think of when you look at the cross and the crucifix? Do they hold sacred and religious value for you? After reading this book your perception may

change the church's use of these symbols has for centuries concealed facts regarding their true origins. The author reveals these findings in this stunning expose. His research includes historical accounts of Christianity's conspiracy and divulges the true meaning of the cross as a satanic symbol. The author states: For centuries after Christ the church and other religions that use cruciform symbols have misrepresented the physicality of the cross. *The Secret Within* Wolfgang Riehle, 2014-02-07. Spiritual seekers throughout history have sought illumination through solitary contemplation. In the Christian tradition, medieval England stands out for its remarkable array of hermits, recluses, and spiritual outsiders, from Cuthbert, Godric of Finchale, and Christina of Markyate to Richard Rolle, Julian of Norwich, and Margery Kempe. In *The Secret Within*, Wolfgang Riehle offers the first comprehensive history of English medieval mysticism in decades, one that will appeal to anyone fascinated by mysticism as a phenomenon of religious life. In considering the origins and evolution of the English mystical tradition, Riehle begins in the twelfth century with the revival of eremitical mysticism and the early growth of the Cistercian Order in the British Isles. He then focuses in depth on the great mystics of the fourteenth and fifteenth centuries: Richard Rolle, the first great English mystic; the author of *The Cloud of Unknowing*; Walter Hilton; Margery Kempe; and Julian of Norwich. Riehle carefully grounds his narrative in the broader spiritual landscape of the Middle Ages, pointing out both prior influences dating back to Late Antiquity and corresponding developments in mysticism and theology on the Continent. He discusses the problem of possible differences between male and female spirituality and the movement of popularizing mysticism in the late Middle Ages. Filled with fresh insights, *The Secret Within* will be welcomed especially by teachers and students of medieval literature, as well as by those engaged in historical, theological, philosophical, cultural, even anthropological and comparative studies of mysticism.

*The Secret Battle of Ideas about God* Jeff Myers, 2017-08-01. Do You Know What You Believe and How to Defend Your Faith? The world is full of ideas that don't reflect Jesus. In fact, according to a recent Barna study, only 3 percent of American evangelicals have an authentic biblical worldview. As president of Summit Ministries and an authority on Christian worldview and apologetics, Dr. Jeff Myers will teach you how to understand what you believe, why you believe it, and how to defend it against these five fatal worldviews: Secularism, Marxism, Islam, New Spirituality, Postmodernism. **THE REVISIONS OF**

**THE ENGLISH HOLY BIBLE** Edward D. Andrews, J. B. Lightfoot, Frederic G. Kenyon, 2022-09-11. The 1611 King James Version was a revision of multiple English Bibles from the 1500s: Tyndale's Bible, Coverdale's Bible, Matthew's Bible, Taverner's Bible, the Great Bible, the Geneva Bible, and the Bishops' Bible. The 1611 King James Bible translators stated in the Preface that they knew others would revise their work too: 1. as more manuscripts came to light, and 2. translators had a better understanding of biblical Hebrew and Greek. How many versions of the King James are there? Eventually, five different editions of the King James Version were produced in 1611, 1629, 1638, 1762, and 1769. It is the 1769 edition which is most commonly cited as the King James Version (KJV). The next major revision of the English Bible came in 1881: the Revised Version, and in 1901: the American Standard Version. Over 30,000 changes were made, of which more than 5,000 represent differences between

the Greek text used for the Revised Version and that used as the basis of the King James Version Most of the other changes were made in the interest of consistency or modernization Further significant revisions only considering literal translations have been the 1952 Revised Standard Version the 1960 2020 New American Standard Bible the 2001 English Standard Version and the 2022 Updated American Standard Version We do not need the originals We do not need those original documents The Bible was miraculously restored not miraculously preserved as some would like us to believe Herein we will clear up many misunderstandings and misconceptions about the English Bible translations **The Secret of Spiritual Joy**
