Omg So Bad The Complete Collection Of Taboo Trouble:

The OMG Chronicles Peter Rodger, 2011-03-01 In 2006 frustrated with religious turmoil fanaticism and fundamentalism filmmaker Peter Rodger set out on a quest across 23 countries to shoot the epic nonfiction motion picture Oh My God in an attempt to understand what the concept of God meant to people in all walks of life This book chronicles Peter s extraordinary adventure as he circled the globe asking an amazing array of characters the simple but not so simple question What is God This is a story of overcoming challenges as well as a unique travelogue and social snapshot It delves into the pain of persevering in times of trouble and is also a testament to adhering to one s own convictions Philosophical searching funny and very personal this work will make you laugh out loud and at other times make you cry It is devoid of theology but touches faith on both religious and nonreligious levels It is objective yet there are many opinions Above all it is a chance to be whisked away from the comfort of your own home to visit places and people famous and not and absorb their profound irreverent blasphemous spiritual musings on an age old query Their words will stir up passion curiosity self examination and wild imagination Oh My God Prepare for the ride

OMG Mary Ellen Ashcroft, 2018-12-18 The plot thickens in novels and our lives forcing us from the fairy tale into a bewildering even heartbreaking narrative We look at the god we re holding and find it too fragile too brittle to meet reality Cling tighter Move on godless In fact rejecting a god image or as C S Lewis puts it allowing God to smash our limited god opens space for deeper faith in the midst of painful life experience In OMG Mary Ellen Ashcroft invites readers to look over her shoulder as she traces her god growth beginning with a capricious childhood god The loving savior who embraced her when she was eighteen followed her into strict fundamentalism while the god she met in an Anglican seminary shocked her by caring more about poverty than a seven day creation but then called her to a South Africa tipping toward revolution An interweaving of narrative theology and creative nonfiction OMG invites readers to grow into deeper faith retelling their stories in the light of the biblical one dropping inadequate gods to grasp a mysterious awesome one

Inside of Me 2.0 Shellie R. Warren,2024-10-11 Twenty years ago I wrote a book about my life Something that Inside of Me and its sequel Inside of Me 2 0 and yes there is a pun intended with that have in common is when I sat down to write them I wasn t exactly sure what was going to come out I was going to tell my story which only I can authentically do and we would see how things would go As far as Inside of Me goes it ended up being what I call my sexual autobiography That s because back then sex and relationships consumed a lot of my life Now 20 years later I realize that this offering is more about how and why I ended up making so many of the decisions that I did once upon a time And why so much is different now Better too Don t get me wrong this book is still just as raw candid and oh well as the first book was Only now I m connecting some dots to give me an overall picture that has brought me to a place of real peace and full resolve on so many levels Now I will give you a heads up that just like Inside of Me was a bit jarring for some Inside of Me 2 0 follows suit on a somewhat grander scale That s actually why I decided to forego the traditional route a popular publisher someone to write the foreword others to review it etc This is me with no need for anyone s validation or approval I was 29 when I wrote my first book and 49 and 50 when I wrote this one Things are different because they re supposed to be So if you read Inside of Me and you ve always been curious about what happened to me since then or you ve never heard of me before and you re wondering if I always write like I talk check the book out From family and friendships to spiritual conclusions and plenty of ah ha moments along the way in less than 200 pages I will share where and who I am now and why I love it so much here
