books that will make a difference in their lives **Rough** Jove Chambers, **The Siren** Kiera Cass,2016-01-28 From the New York Times bestselling author of The Selection series comes this sweeping standalone fantasy romance A girl with a secret The boy of her dreams An ocean between them Beard Necessities Penny Reid ,2019-11-04 Billy Winston s family is going to see him happy and in love if it s the last thing they do No one deserves a happily ever after quite as much as the second oldest Winston brother and his lady love Claire McClure aka Scarlet St Claire Cruelty and circumstance tore them apart almost twenty years ago Secrecy and bitterness kept them separated But you know who s tired of their separation and stubbornness Everyone Especially Billy Winston s family And now they re going to do something about it Well meaning interference means the star crossed lovers can t stop tripping over each other in the hills of Tuscany the catacombs of Rome and the waterways of Venice Billy and Claire find themselves thrown together and at the mercy of the Winston siblings shenanigans But will their forced proximity bring them together Or push them even further apart This second chance romance brings back the entire Winston gang playing cupid in one last story of love hi jinks and family collusion BEARD NECESSITIES is a full length contemporary romantic comedy and can be read as a stand alone but it s probably best read after books 0 5 2 3 5 and 6 of the Winston Brothers series *Affect, Emotion, and Children's Literature* Kristine Moruzi,Michelle Smith,Elizabeth Bullen,2017-09-01 This volume explores the relationship between representation affect and emotion in texts for children and young adults It demonstrates how texts for young people function as tools for emotional socialisation enculturation and political persuasion The collection provides an introduction to this emerging field and engages with the representation of emotions ranging from shame grief and anguish to compassion and happiness as psychological and embodied states and cultural constructs with ideological significance It also explores the role of narrative empathy in relation to emotional socialisation and to the ethics of representation in relation to politics social justice and identity categories including gender ethnicity disability and sexuality Addressing a range of genres including advice literature novels picture books and film this collection examines contemporary historical and canonical children s and young adult literature to highlight the variety of approaches to emotion and affect in these texts and to consider the ways in which these approaches offer new perspectives on these texts The individual chapters apply a variety of theoretical approaches and perspectives including cognitive poetics narratology and poststructuralism to the analysis of affect and emotion in children s and young adult literature **Uncharted Depths** Kiera Vaclavik,2017-12-02 The descent to the underworld is one of our oldest stories It recurs in the most influential texts of early European literature the Odyssey the Aeneid the Inferno and no less so in the classics of children s literature Vaclavik shows that retellings for young readers certainly shift emphases working the legend through transformations of all kinds but also that much of the traditional katabasis story remains firmly in place The critical study of children s literature remains a relatively new field in which such fundamental presences have gone largely unnoticed As Vaclavik demonstrates many novels which remain lively and resonant for adult readers richly

repay critical attention And if the incomparable explorer s tales of Jules Verne H Rider Haggard Hector Malot and even Lewis Carroll have proved durable beyond all expectations one reason may be that there is no lure like that of the underworld and none harder to escape Kiera Vaclavik is Lecturer in French and Comparative Literature at Queen Mary University of London
