One of Our Conquerors George Meredith,2023-06-22 A gentleman noteworthy for a lively countenance and a waistcoat to match it crossing London Bridge at noon on a gusty April day was almost magically detached from his conflict with the gale by some sly strip of slipperiness abounding in that conduit of the markets which had more or less adroitly performed the trick upon preceding passengers and now laid this one flat amid the shuffle of feet peaceful for the moment as the uncomplaining who have gone to Sabrina beneath the tides He was unhurt quite sound merely astonished he remarked in reply to the inquiries of the first kind helper at his elbow and it appeared an acceptable statement of his condition He laughed shook his coat tails smoothed the back of his head rather thoughtfully thankfully received his runaway hat nodded bright beams to right and left and making light of the muddy stigmas imprinted by the pavement he scattered another shower of his nods and smiles around to signify that as his good friends would wish he thoroughly felt his legs and could walk unaided And he was in the act of doing it questioning his familiar behind the waistcoat amazedly to tell him how such a misadventure could have occurred to him of all men when a glance below his chin discomposed his outward face Oh confound the fellow he said with simple frankness and was humorously ruffled having seen absurd blots of smutty knuckles distributed over the maiden waistcoat **One of Our Conquerors** George Meredith,2010-01 **One of Our Conquerors**
