Actors on Guard Dale Anthony Girard, 2014-05-01 Actors on Guard is the most comprehensive and detailed book on the art of theatrical swordplay available today. It provides the reader with the historical, theoretical, and practical basis for learning, practicing, and presenting theatrical sword fights. Focusing specifically on the Elizabethan rapier and dagger, the most popular weapons used in stage fights, Actors on Guard provides actors, directors, teachers, stage managers, and technicians the skills and knowledge essential to presenting safe and effective fights both for stage and screen. On Guard Against the Red Menace Rodrigo Patto Sá Motta, 2020-02-01 This book focuses on the values, beliefs, fears, and actions of Brazilian groups that throughout the twentieth century fought the red menace. It is based on broad and diversified documentary sources including police files, archives of political leaders, traditional press, periodicals, newspapers, and brochures of right-wing organizations, monuments, caricatures, and photographs. The work is a major contribution to better understanding the political impact of right-wing movements in Brazil and the justifications made for the authoritarian coups of 1937 and 1964. The author explains the intricacy of the political movements, leaderships, and organizations that gathered around the fight against communism, as well as the ideas and images used to disseminate their arguments, including international sources of inspiration. The argument presented is not one of mere condemnation but as dictatorship has reared its head post 1964, an assessment is long overdue in order to understand the political impact of anti-communist movements which have contributed to enable the longstanding police-military repressive machine of the Brazilian State. The current return of anti-communism to the Brazilian political scene is evidence of the book's thesis that this phenomenon took root in Brazilian society during the first decades of the twentieth century. On Guard Against the Red Menace helps to understand why a candidate of military origin who promises to rid the country of the reds won the October 2018 elections in Brazil by adopting a discursive strategy that represents the appropriation of the anti-communist tradition analyzed in this book. On Guard Deepak Reju, 2014-10-27 On Guard offers churches eight strategies for preventing child abuse and three for responding to it, helping to move church staff and leaders beyond fearful awareness to prayerful preparedness. *Stand on Guard* Stephanie Carvin, 2021-05-07 Stand on Guard provides a nuanced explanation of Canadian national security threats such as violent extremism, espionage, and clandestine foreign influence, emphasizing trust and empathy in developing national security policies to counter them. **The Ultimate Guide to Internet Safety Second Edition** Victoria Roddel, 2013-07 Learn why it is important to use the Internet wisely and tips for how to stay safe. Research Product - U.S. Army Research Institute for the Behavioral and Social Sciences, 1990 Boy Scouts in Mexico, Or on Guard with Uncle Sam G. Harvey Ralphson, 2003-04-01 Ralphson's classic series of Boy Scout adventure novels brought a patriotic flare to stories that took boys to far-off exotic locales. Here the scouts find themselves mixed up in robbery, attempted murder, Mexican revolutionaries, and a lost gold mine. **The Human Thinking System User's Manual** Olek Netzer, 2021-01-04 Building on the time-tested
