The Secret Life of E. Robert Pendleton Michael Collins, 2010-07-22 A tale of murder and literary ambition set on an American university campus from a master of the dark side of human nature It's been over a decade since Robert Pendleton published his brilliant short story debut and his hopes for a dazzling literary career now lie in tatters Hanging on to his tenure in literature at Bannockburn college by the slimmest of threads Pendleton's simmering despair boils over with the arrival on campus of his one time friend now nemesis the bestselling author and king of the coffee table book David Horowitz For Pendleton death seems to be the only remaining option but his attempt to kill himself is wrecked by the intervention of Adi Wiltshire a graduate student battling her own demons of failure and thwarted ambition Whilst Pendleton recovers from his suicide attempt Adi discovers a novel hidden in his basement a brilliant bitter story with a gruesome murder at its core The publication of *Scream* causes a storm of publicity a whirlwind into which Adi and Horowitz are thrust along with the sister of a young girl whose real life unsolved murder bears an uncanny resemblance to the crime in Pendleton's novel and a burnt out cop with secrets of his own who is determined to prove that in this case fact and fiction are one and the same

The Keepers of Truth Michael Collins,2011-11-10 The best novel I ve read this year Unputdownable TIME OUT It is the mid 80s in post industrial America In a small town graced with the decaying hulks of defunct factories young journalist and college dropout Bill churns out lengthy essays on the death of industry and of America itself for the Daily Truth whose scoops rarely rise above the latest home bake contest Then bad boy Ronny Lawton reports his father missing A dismembered finger is found and suspicion falls on Ronny though nothing can be proved For Bill the story becomes an obsession he gets involved with Ronny s estranged wife finds a decomposing human head and ends up as a suspect in the murder case himself Shortlisted for the Booker Prize in 2000 The Keepers of Truth combines a tantalising mystery with a bracing meditation on a nation on the edge Satirical and profound it offers a razor sharp portrait of the American dream gone sour **The British**
