The Secret God Who Challenged Christ Jacob Ward, 2025-02-13 The Secret God Who Challenged Christ A Journey to the Heart of Mithraism By Jacob Ward Behind the scenes of the Roman Empire as Christianity gained strength and established itself as the dominant religion another secret cult was rising in the shadows vying for the soul of civilization Mithraism With mysterious origins shrouded in clandestine rituals and enigmatic symbols this cult directly rivaled the Christian faith offering a path of enlightenment discipline and transcendence to those willing to uncover its secrets Rooted in Persian and Greek traditions the worship of Mithras the warrior god who sacrifices the cosmic bull to bring forth life captivated soldiers merchants and intellectuals of the empire Its initiates divided into seven hierarchical degrees underwent spiritual trials ritualistic banquets and esoteric teachings within underground temples the mysterious mithraea But what did this cult truly represent What was its promise of salvation And why in its final confrontation with Christianity did it vanish

from the official pages of history Jacob Ward guides us through a labyrinth of hidden symbols archaeological discoveries and erased narratives revealing not only the essence of Mithraism but also an unsettling question what if history had taken a different path If Emperor Constantine had chosen the cult of Mithras as Rome s official religion what would the world look like today Would we have underground temples instead of cathedrals A warrior god instead of the crucified Christ In this fascinating work every page is a key to a forgotten mystery an invitation to explore a universe where faith power and destiny intertwine in unexpected ways The secrets of Mithras still echo are you ready to hear them Twelve sermons James Battersby,1879 The Secret Teachings Of All Ages Manly P Hall,1973 **The Costly Anointing** Pastor Christine Peebles,2018-08-21 Greater love hath no man than this that a man lay down his life for his friends John 15 13 that is exactly what Jesus done for us Jesus gave his life to pay the debt that we owed and could not pay and he paid the debt that he did not owe which was our debt to sin Now that is costly One Sunday while preaching I heard God say Look to your left I did and there was some writing on the wall that said Your debt to sin has been paid in full it was written in blood I stopped and I screamed I read to the congregation what was written on the wall Some tried seeing it but they couldn t they had to receive the vision that God had given unto me The blood of Jesus paying our debt to sin is the costly anointing Jesus made himself a curse to redeem us from the curse of the law Jesus bore our sins in his body as he hanged on the cross he bore our griefs and carried our sorrows The writer of Hebrews said For we have not a high priest that cannot be touched with the feelings of our infirmities That is costly After writing my book I Overcame by the Blood of the Lamb I heard God say You obtained my anointing by the things that I suffered you to go through I want you to title this book The Costly Anointing There is nothing that can compensate for the shedding of Jesus s blood **When the Lord Shall Build up Zion** Margaret White,2012-01-12 WHEN THE LORD SHALL BUILD UP ZION has been birthed out of a cry for spiritual awakening This book is a burning message to believers in the Lord Jesus Christ to commit themselves for the building of God s spiritual house There is urgent need to restore apostolic and prophetic ministries today so that the foundation of God s people may be sound Those that have ears to hear let them hear what the Spirit is saying to the churches God will shake everything that that can be shaken so that those things that cannot be shaken remain Hebrews 12 27 For the Love of the habitation of our God let s give ourselves unreservedly to Him that we may be built into Zion *The Secret in Medieval Literature* Albrecht Classen,2022-10-17 The Secret in Medieval Literature Alternative Worlds in the Middle Ages explores the many strange phenomena both in the Middle Ages and today that do not find any good rational explanations Those do not pertain to magic or to religion in the traditional sense of the word they are secrets of an epistemological kind and tend to defy human rationality without being marginal or irrelevant At first sight we might believe that we face elements from fairy tales but the medieval cases discussed here go far beyond such a simplistic approach to the mysterious dimension of secrets In fact as this book argues medieval poets commonly engaged with alternative forces and described their workings within the human context both in the Latin

West and in the East without being able to come to terms with them critically Those mysteries appear both in heroic epics and courtly romances among other genres and they figure more frequently than we might have assumed On the one hand we could conceive of those secrets as the product of literary liberties and imagination on the other those secrets prove to be rather serious agents intervening in the lives of the fictional protagonists By the same token our modern world is not all rationality and material conditions either The study of secrets in the Middle Ages thus opens the pathway toward a new epistemology both for the people in the pre modern age and us today The Occasion of Man , A Commentary on Daniel Leon J. Wood,1998-06-25 *The Path of Prayer* Samuel Chadwick,2020-06-17 Samuel Chadwick 1860 1932 was a Wesleyan Methodist minister and a nonsense kind of preacher His works have endured long after his death and will doubtless continue to impact readers as his practical approach and straight forwards style make even the most complicated topic easy to grasp

Nicene and Post-Nicene Fathers Philip Schaff,2007-06-01 **The Secret of Guidance** F. B. Meyer,2013-03-18 Many children of god are so deeply exercised on the matter of guidance that it may be helpful to give a few suggestions as to knowing the way in which our Father would have us walk and the work He would have us do The importance of the subject cannot be exaggerated so much of our power and peace consists in knowing where God would have us be and in being just there *Adam, Take Your Position* Gloria Ward, Ph.D,2013 Marriage was created and designed by the Creator God not man made marriage God designed marriage between one man and one woman uniting them in holy matrimony The two are to come together as one flesh in a joyous and fulfilling relationship Marriage is covenant commitment and companionship meant for a lifetime Gloria Ward s insightful sequel to *Eve Get In Your Place* is a call for Christian husbands to take their rightful leadership positions in the home It provides biblical principles on the husband s role and responsibility in the marriage Just as God made marriage He also established a divine order for the home God commands that husbands love their wives as Jesus loved the church and gave Himself for it Wives are to submit unto their husbands as unto the Lord It is not about the husband being superior Rather a husband s authority lies in being an obedient responsible leader servant to his family Submission does not mean that a wife is slave to her husband Rather she is submitting to her Lord and obeying His direction for her home The Bible the inspired Word of God gives instructions on how the husband and wife are to treat each other Since God is the designer why not try marriage His way before heading to divorce court God hates divorce Dr Ward will help you discover what God has said on the subject of marriage Knowing God s perspective will help both husband and wife to properly function in what will be a blissful union The Theological Medium ,1875 **The Fruit of Your Lips** Becky DeWitt,2011-07-21 *The Fruit of Your Lips* is the sequel to *Lips Sacred or Scarred Take Your Mouth Off The Mess and Use It For A Miracle* We speak words into the atmosphere not realizing the effects of what we are saying Believers fail to assess the power of their words Contrary to popular belief words are not cheap Spoken with destructive and not creative forces causes costly results in the realm of the spirit which manifest in the natural As one measures their words and practices the presence

of God they will find that they will begin to think cautiously before they speak This book will assist the Believer to weigh the words that are spoken daily **Discover, Uncover and Recover All** Ikechukwu Joseph, *The Secret of the Torah* Abraham ben Meïr Ibn Ezra,1995 Ibn Ezra addresses the importance of the knowledge of grammar stating that one cannot fully understand the text of the Torah without it He also discusses the study of the Bible and the Talmud arguing that one cannot properly comprehend the Talmud if one does not know the sciences for there are many passages in the Pentateuch and the Talmud that are either incomprehensible or given to misinterpretation by one who has no prior knowledge of the sciences The Lord is Right Paul Waldenström,1889 **Choosing the Best** Matthew O. Sadiku,2012-03 Do you want your life to really count If so you must learn to make the right choices because the choices you make turn around to make you The way you choose has the potential of increasing or decreasing your joy in life Making a quality choice between several alternatives is tough To ease the path and alleviate the problem of making wrong choices this book presents twelve major criteria you should consider in making choices These criteria include The Greatest Tragedy The Greatest Mistake The Greatest Priority The Greatest Knowledge The Greatest Pursuit The Greatest Motive The Greatest Motivation The Greatest Influence The Greatest Enemy The Greatest Friend The Greatest Helper The Greatest Power These criteria affect our personal social and spiritual life Choosing the best involves making choices in view of the criteria It involves having priorities and being focused in life Choosing the best is knowing what God wants you to accomplish in life and investing your resources time talent and treasure on just that In short it is to live for the things that really matter in the long run
