The Short Guide To Social Policy:

The Short Guide to Social Policy John Hudson, Stefan Kuhner, Stuart Lowe, 2015-09-18 Drawing on examples from around the globe this book provides a broad overview of the variety of policy frameworks that different countries have developed in the fields of health housing education employment and social security **The Short Guide to Environmental Policy** Carolyn Snell, Gary Haq, 2014-04-16 Some have argued that the rate and scale of human induced global environmental change is so significant that it now constitutes a new geological epoch in the Earth's history called the Anthropocene Zalasiewicz et al 2011 Steffen et al 2011 More than ever there is a need to have appropriate and effective environmental policies that address the challenges of climate change biodiversity food water and energy insecurity environmental pollution poverty alleviation and environmental equity The short guide to environmental policy provides a concise introduction to post war environmental policies bringing together perspectives from a range of fields including economics sociology politics and social policy It covers a broad range of issues including causes and effects of contemporary environmental issues policy approaches to addressing environmental problems challenges to implementing environmental policies and future environmental challenges This book is an essential introduction to all those interested in how policies can address environmental problems **Social policy in challenging times** Farnsworth, Kevin, Irving, Zoë, 2011-09-21 There is no precedent to the current economic crisis which looks set to redefine social policy debate throughout the globe But its effects are not uniform across nations Bringing together a range of expert contributions the key lesson to emerge from this book is that the crisis is better understood as a variety of crises each mediated by national context Consequently there is an array of potential trajectories for welfare systems from those where social policy is regarded as incompatible with the post crisis economy to those where it is considered essential to future economic growth and security *Managing Social Change and Social Policy in Greater China* Ka-Ho Mok, Maggie K. W. Lau, 2013-11-07 East Asia is at the heart of the global economic transformation and the countries of the region are witnessing rapidly changing labour markets alongside the pressure to cut production costs and lower taxes in order to become successful competition states These changes have resulted in increased welfare demands which governments organizations and agencies across the region have had to address This book examines welfare regimes in the Greater China region encompassing mainland China Hong Kong Macao and Taiwan In so doing it explores the ways in which the rapid growth and internationalisation of the economy across Greater China is presenting new social policy challenges that governments social welfare organizations and agencies in the region are having to respond to Rather than simply describing and categorising welfare systems the contributors to this volume add to our understanding of how one of the major economic transformations of the contemporary era in East Asia is shaping welfare provision in the region In turn in this context of economic change they examine the new strategies and measures that have been adopted in order to reduce the heavy burden on the state in terms of welfare provision whilst also attempting to diversify funding and

provision sources to meet the pressing welfare needs Based upon extensive fieldwork by leading scholars of social policy this book will appeal to students and scholars of Asian social policy comparative development and social policy social welfare and Chinese studies Handbook on East Asian Social Policy Misa Izuhara,2013-01-01 Dramatic socio economic transformations over the last two decades have brought social policy and social welfare issues to prominence in many East Asian societies Since the 1990s and in response to national as well as global pressure there have been substantial developments and reforms in social policy in the region but the development paths have been uneven Until recently comparative analysis of East Asian social policy tends to have focused on the established welfare state of Japan and the emerging welfare regimes of four Tiger Economies Much of the recent debate indeed preceded Chinas re emergence onto the world economy In this context this Handbook brings China more fully into the contemporary social policy debates in East Asia Organised around five themes from welfare state developments to theories and methodologies to current social policy issues the Handbook presents original research from leading specialists in the fields and provides a fresh and updated perspective to the study of social policy Providing a comparative international approach this Handbook will appeal to academics researchers and students at both undergraduate and postgraduate levels working in the fields of social policy as well as policy makers and practitioners who are interested in social policy lessons from other societies

Social Policy Review 24 Majella Kilkey,Kevin Farnsworth,2012 This title provides students academics and all those interested in welfare issues with a critical analyses of progress and change in areas of interest during the past year The contributions bring together internationally renowned authors to provide discussion of the most challenging issues facing social policy today

Social Policy for Nurses Anita Fatchett,2012-04-09 This textbook offers a highly accessible applied introduction to social policy specifically tailored to the needs of students of nursing It provides an essential overview of the changing shape of the NHS and the broader healthcare environment in the UK helping nurses to situate themselves in a rapidly changing field

The Student's Companion to Social Policy Pete Alcock,Tina Haux,Vikki McCall,Margaret May,2022-04-11 The new edition of the bestselling guide to the issues students will encounter in the study of social policy in both the UK and abroad Fully updated and expanded the sixth edition of The Student s Companion to Social Policy remains the most accessible and comprehensive review of UK and comparative social policy available for undergraduate students Written and edited by leading experts in the field this authoritative textbook covers all the perspectives debates issues and challenges in both the theory and practice of social policy The latest edition reflects the most recent developments in the discipline and in social policy making New and revised chapters examine critical topics such as the policy agenda of the UK government elected in 2019 and the implications of globalization climate change Brexit and the COVID 19 pandemic A wealth of new and revised illustrative material including additional problem centred review and assignment questions enhance students learning and comprehension whilst encouraging them to reflect on and reconsider the issues raised in each social policy discussion A timely issue driven

overview for students to draw upon throughout their studies this acclaimed textbook Provides the analytical foundation necessary to investigate and evaluate the key concepts and perspectives central to the study of social policy Presents up to date coverage of policy formation and outcomes national and international debates and the challenges and choices facing societies Features new and revised coverage of key issues including international and comparative developments austerity and post austerity policies in the UK and devolved administrations public attitudes to welfare and sustainability challenges Offers a range of pedagogical tools such as boxed 5 point summary overviews Emerging Issues sections guides to further resources and chapter review questions The Student s Companion to Social Policy Sixth Edition is essential reading for all those on Social Policy courses whether specialising in the subject or studying it as part of another programme across the social sciences at undergraduate or postgraduate level

Understanding Social Security (Second Edition) Jane Millar, 2009-02-02 The second edition of this important text reviews policy developments since 1997 The chapters have been extensively updated and there are new chapters on social security reform inequalities and social security and the new welfare market

New Social Policy Agendas for Europe and Asia Katherine Marshall, Olivier Butzbach, 2003 The East Asia crisis of 1997 98 highlighted the need for new models for social policy A joint project between European and Asian governments brought together over a two year period the experience of social policy experts from Europe and Asia This project was financed by the ASEM Asia Europe Meeting This document looks at a wide range of issues social security reform links between macroeconomics and social policy labour market policies gender relations and cross border migration Inspired by European experience in similar fields and focusing on ideas and knowledge exchange the project worked to develop papers and seminars to produce this book

Understanding the Mixed Economy of Welfare Martin Powell, 2019-01-16 As the state withdraws from welfare provision the mixed economy of welfare involving private voluntary and informal sectors has become ever more important This second edition of Powell s acclaimed textbook on the subject brings together a wealth of respected contributors New features of this revised edition include An updated perspective on the mixed economy of welfare MEW and social division of welfare SDW in the context of UK Coalition and Conservative governments A conceptual framework that links the MEW and SDW with debates on topics of major current interest such as Open Public Services Big Society Any Qualified Provider Private Finance Initiative PFI and Public Private Partnerships PPP Containing helpful features such as summaries questions for discussion further reading suggestions and electronic resources this will be a valuable introductory resource for students of social policy social welfare and social work at both undergraduate and postgraduate level

Social Policy Review 27 Zoë Irving, Menno Fenger, John Hudson, 2015-06-30 Published in association with the Social Policy Association Social Policy Review is an annual volume that draws together international scholarship at the forefront of research on social policy This edition looks at the effects of financialization on services and the provision of care policies aimed at addressing deficiencies in housing and labor markets and ways that the study of social policy may need to

develop to respond to changing material concerns A themed section meanwhile considers the place of comparative welfare modeling in the context of a quarter century of change *Understanding Global Social Policy* Nicola Yeates,Chris Holden,2022-02-28 With a contemporary overview of global social policy formation the third edition of this leading textbook identifies key issues debates and priorities for action in social policy across the Global South and North Accessible and lively it incorporates seven new chapters covering theory social justice climate migration gender young people and water energy and food The original chapters have also been fully updated to reflect major developments in the fast changing world of global social policy Key features include overview and summary boxes to bookend each chapter questions for discussion and follow up activities further reading and resources Exploring what it means to locate human welfare within a global framework of social policy analysis and action this textbook offers a perfect guide for curious students **Presidential Healthcare Reform Rhetoric** Noam Schimmel,2016-09-22 This book analyzes the rhetorical strategies employed by the four Democratic presidents Truman Johnson Clinton and Obama who tried to expand access to and affordability of healthcare in the United States It considers how they made such arguments the ethics they advanced and the vision of America they espoused The author combines rhetoric analysis policy analysis and policy history to illuminate the dynamic nature of the way American presidents have imagined the moral and social bonds of the American people and their exhortations for governance and policy to reflect and honor these bonds and obligations Schimmel illustrates how Democratic presidents invoke positive liberty and communitarian values in direct challenge to opposing conservative ideologies of limited government and prioritization of negative liberty and their increasing prominence in the post Reagan era He also draws attention to the ethical and policy compromises entailed by the usage of specific rhetorical strategies and their resulting discursive effects Contemporary Health Studies Louise Warwick-Booth,Ruth Cross,Diane Lowcock,2012-07-23

Contemporary Health Studies An Introduction provides a lively and accessible introduction to the current issues and key debates in this area It contains a strong up to date global social scientific focus examining the human experience of health particularly emphasizing its social political and environmental dimensions The book s diverse content is usefully divided into three main parts Part one sets the scene looking closely at the definition of health studies and the debates surrounding the concept of health Part two explores different disciplines underpinning Health Studies including chapters such as sociology psychology anthropology and health promotion Part three of the book explores the determinants of health and contains chapters on individual factors influencing health policy influences on health public health and the global context of health Each chapter Opens with a list of key learning outcomes Contains topical learning tasks Poses questions for reflection and debate Provides an in depth case study to summarise the key arguments made Carefully chosen tables figures and photographs bring the text to life whilst the companion web site offers additional learning resources for both students and lecturers alike *Contemporary Health Studies An Introduction* is an essential guide for undergraduate health students written

by three authors who have a wealth of teaching experience in this subject area Their book will inspire readers to consider the human experience of health within contemporary global society as it is mediated by individual societal and global contexts
