Thompson and while I might be an important part of this story this story isn't mine It's my best friend Bess's story and I was just lucky enough to be part of it Bess met her husband Eli when we were still kids they fell in love they got married and then their marriage fell apart They hate one another now and they can barely be in the same room together for more than five minutes without Bess wanting to scratch Eli's eyes out Before they can finalize the divorce however they have to clean out the old cabin at Lake Fisher so they can sell it You see this is where I come into the story mainly because the safety and care of three precious little beings rests on whether or not they can find their way back together I won't ask them to pretend like they're in love it's obvious how much disdain they have for one another All I ask is that they give me one more summer I do have my own reasons for wanting to help them which I will explain in more detail But right now just know that Bess and Eli's story is an important one and that I was honored to play a part in it Best regards Aaron
