Garrett, 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett s system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological

world The Churchman A Journal of Anglican Theology 1991A gold mine of helpful material The Christian Century May 29 June 5 1991No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological SeminaryOne of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary     *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease     Disfellowshipped Gerald W. King,2011-08-05 Employing studies in population ecology as a framework for understanding the growth of religious movements Disfellowshipped traces the growth of the Pentecostal movement The author explores how the Pentecostal movement developed in relationship to Fundamentalism from its roots in the Holiness movement to the formation of the National Association of Evangelicals Particular attention is given to the various critiques and rebuttals exchanged between Fundamentalists and Pentecostals exploring how these two movements influenced and shaped one another This book shows how despite their mutual antagonism these two movements held far more in common than in contrast This book will be of great importance to all those interested in the history of Fundamentalism and the rise of Pentecostalism     *Pastoral Care in a Market Economy* S. St. John Redwood,1999 This volume examines pastoral care in a market economy from a Caribbean perspective     **Christian Theology in Outline** William Adams Brown,1906     **Berkhof's Systematic Theology Revised** Louis Berkhof,2019-09-06 Considered one of the best books on Systematic Theology ever written it covers all the basics on the reality of God the atonement of Christ and the final state of man and the last things Anyone that wishes to study theology

would be wise to read this book as many in the Reformed tradition hold that this book is a landmark book in its field Now in larger print      **Theological Outlines** Francis J. Hall,2004-09-13 This one volume condensation of the author s multi volume Dogmatic Theology series remains a hallmark of Anglican systematic theology Here Hall s work is presented with helpful clarity and order Hall s theological program was designed to constitute a connected treatment of the entire range of Catholic Doctrine as it is maintained in the Episcopal Church and the Reformed Catholic Tradition of the Anglican Communion

*Preacher and the Bear* B. Stanley Tieszen,2012-11 It is often the case that many who want to spiritually affect their circles of influence simply lack the tools necessary to do so As a result many faithful Christians fail to consider this biblical mandate Through the use of Scripture and illustration Preacher and the Bear will enable the follower to live more aware of God appointed opportunities to see who their real audiences are and know how they might be more effective among them Preacher and the Bear encourages a respectful investment into the lives of others who curiously and cautiously seek us out In quiet and sensitive cooperation with the Holy Spirit relationships are born and God is pleased to work in that environment Moreover as the soil of our own hearts is conditioned it affects the entire landscape of our experience Through engaging narrative and thought provoking ideas Preacher and the Bear will empower individuals to reconsider what they think about evangelism and how they might more effectively engage the communities God places them in      **Beginning Well** Gordon T.

Smith,2001-08-17 Gordon T Smith contends that a chief cause of spiritual immaturity in the evangelical church is an inadequate theology of conversion Surveying Scripture spiritual autobiographies and a broad range of theologies of conversion he seeks to foster in the Christian community a dynamic language of conversion that leads to spiritual transformation and mature Christian living      **Election and Predestination** Samuel Fisk,2002-04-09 You are not about to

read the views of one author alone In this powerful book Samuel Fisk quotes over 100 scholars He presents in one volume a vast array of balanced and scholarly views to help you unravel the vexed questions of election and predestination It is often assumed that one must be either a Calvinist or an Armenian This is not so There is a balanced scriptural line of truth regarding election that will preserve the Bible student from dangerous by path meadows into which far too many have strayed over the years As you read the wise and careful comments of such scholars as W E Vine Sir Robert Anderson C H Spurgeon F B Meyer Handley Moule Harry Ironside R A Torrey G Campbell Morgan Wilber M Smith J C Ryle A T Robinson Christopher Wordsworth and J Sidlow Baxter you will begin to see your way through this particularly tricky theological minefield This could be one of the most important books you will ever read      **Catalog of Copyright Entries** ,1916      **The**

**American Annual Cyclopedia and Register of Important Events of the Year ...** ,1896      **Jesus "The Way, The Truth and The Life"** Thd Bish,2011 Jesus The Way The Truth and The Life will prove that Jesus is the only Way to God the very embodiment of all Truth and the very essence of Life just as He declared of Himself in the fourteenth chapter and sixth verse of the gospel of John by saying I am the way the truth and the life and that no one comes to the Father except through Me

This book will show using systematic theology proofs and truth arguments that Jesus is exactly who He says He is confirmed by God the Father the Holy Spirit and by Christ Himself Jesus said in Mark 8:27 of scripture Who do you say I Am This book will make it obvious why you must answer this pointed question just as Peter did in claiming to Jesus that You are the Christ the Son of the Living God Time is getting short and Jesus is on His way back to earth It s not a time to be confused or wrong on issues having eternal consequences Though the book reads as a college textbook it forces you to think and study the word of God The book is most valuable in a curriculum setting or for those interested in Christian apologetics Jesus is compared to a myriad of other secular philosophies both past and present and as a result it is conclusively obvious that Jesus is the way truth and the life and all others are false This book stands on the foundation that a relationship with God thru Christ is by faith alone Sola Fide by grace alone Sola Gratia by Christ alone Solus Christus by scripture alone Sola Scriptura and with glory to God alone Soli Deo Gloria Dr Ronald N Bish ThD received his Doctorate from Freedom Bible College in Systematic Theology and Apologetics and also holds a Master Degree in Mechanical Engineering For further information contact [www.ronaldbish.com](http://www.ronaldbish.com)

*Advancing the Vision* Bernie Van De Walle, Benjamin Elliott, Jenny-Lyn de Klerk, 2023-02-16 After more than 130 years the Fourfold Gospel Jesus Christ our Savior Sanctifier Healer and Coming King continues to find a ready following and creative expression around the world Its success however means that it has come to be understood expressed and practiced in ways somewhat differently than it originally was This volume written by scholars from across the globe explores these emphases in detail articulating how the passage of well over a century and the crossing of oceans has resulted in the advancing of the original vision

*Systematic Theology* Louis Berkhof, 2017-02-17 Considered one of the best books on Systematic Theology every written it covers all the basics on the reality of God the atonement of Christ and the final state of man and the last things Anyone that wishes to study theology would be wise to read this book as many in the Reformed tradition hold that this book is a landmark book in its field
