Outdoor Scavenger Hunt Clues For Kids:

Kids' Outdoor Adventure Book Stacy Tornio, Ken Keffer, 2013-04-02 Nature is a destination but you don't have to travel anywhere to find it. Just open the door and step outside. A fun, hands-on approach to getting involved in nature. The Kids Outdoor Adventure Book is a year-round how-to activity guidebook for getting kids outdoors and exploring nature. Be it catching fireflies in the cool summer evenings, making birdfeeders in the fall from peanut butter, pine cones, and seed, building a snowman in 3 feet of fresh winter snow, or playing duck-duck-goose with friends in a meadow on a warm spring day. The Kids Outdoor Adventure Book includes 448 things to do in nature for kids of all ages, more than one activity for every single day of the year. Each of the year's four seasons includes fifty checklist items, fifty challenge items, three each of projects, destinations, garden recipes, and outdoor games. Throughout the book, you'll also find fascinating facts, useful tips and tricks, and plenty of additional resources to turn to. Complete with whimsical, vibrant illustrations, this book is a must for parents and their kids.

Sacred Summer Risa Seelenfreund, 2021-05-04 Sacred Summer is an account of Seelenfreund's use of simple resilience tools during the challenging summer of 2020. COVID-19 was raging, children were home, business was slow, and anxiety was high. The author, like many others, struggled. Through humorous and heartfelt personal anecdotes, she documents how she worked to increase her resilience to make managing life a little easier. She did not endure tragedy, just inconvenience, stress, annoyance, and worry. Resilience is not restricted to catastrophe, though, and everyone can benefit from enhancing their ability to rebound from difficult situations. Seelenfreund demonstrates that small changes in perspective, behavior, and action can make a deep impact on one's life. She shares tools and worksheets as well as specific examples and resources that make the book suitable for everyone wanting to build resilience in their own life.
