**The Day of the Monarch** Robert E. Hill,2013-02-22 The small sleepy town of Perry Oklahoma is known for being the home of Ditch Witch and the capture of Timothy McVeigh But one of its residents has played a key role in the technological apocalypse people have come to call the Day of the Monarch Despite the lack of electricity from a power outage Christmas morning starts much like any other for twelve year old Abby Tate but things quickly spiral into chaos Not only has the power outage affected the state but according to short wave radio its impacted the entire world Abbeys computer savvy friend Shane insists he is the cause of the power outage His computer virus the Monarch Virus destroys a computers microprocessor and ram chips and he thinks it is responsible for the world wide blackout Abby doesnt believe him until Shane goes missing and a fleet of military forces takes over the town But something doesnt make sense Does the government have Shane in custody to prevent other countries from using him and his virus as a weapon When FEMA sets up camp on Abbys family farm she swings into action recruiting her friend Molly to begin investigating and having no idea of just how much danger shes about to encounter

**Whiteness at the Table** Christina Berchini,Zachary A. Casey,Shannon K. McManimon,2020-07-07 Antiracist work in education has proceeded as if the only social relation at issue is the one between white people and people of color But what if our antiracist efforts are being undermined by unexamined difficulties and struggles among white people Whiteness at the Table examines whiteness in the lived experiences of young children family members students teachers and school administrators It focuses on racism and antiracism within the context of relationships Its authors argue that we cannot read or understand whiteness as a phenomenon without attending to the everyday complexities and conflicts of white people s lives This edited volume is entitled Whiteness at the Table then for at least three reasons First the title evokes the origins of this book in the ongoing storytelling and theorizing of the Midwest Critical Whiteness Collective a small collective of antiracist educators scholars and activists who have been gathering at its founders dining room table for almost a decade

Second the book's authors are theorizing whiteness not just in terms of structural aspects of white power but in terms of how whiteness is reproduced and challenged in the day to day interactions and relationships of white people. In this sense whiteness is always already at the table and this book seeks to illuminate how and why this is so. Finally one of the primary aims of *Whiteness at the Table* is to persuade white people of their moral and political responsibility to bring whiteness as an explicit topic as perhaps the most important problem to be solved at this historical moment to the table. This responsibility to theorize and combat whiteness cannot and should not fall only to people of color.

**Fifty Shades of Grace** The Herald Press Editors, 2013-04-18 *Fifty Shades of Grace: Stories of Inspiration and Promise* is a collection of inspiring stories about experiencing God's grace in the midst of everyday life. Each of the fifty stories will uplift readers with profound narratives about life and faith. This book explores what grace looks like in action even in a world jaded by violence and unforgiveness and how it can triumph over great tragedy with mercy and hope. Free downloadable study guide available here. [The Continuum Companion to Religion and Film](#) William L. Blizsek, 2009-08-30 The definitive guide to the study of film and religion.

**It is Time to Clean the Basement Again** Dennis J. DeWitt, 2010-12-17 This book tells stories. It encourages us to look back and tell our own stories for the benefit of future generations. [Transparent](#) David Richardson, 2023-10-17

Assumptions are the most potent of ideas but also the least understood. *Transparent* reveals what assumptions we make, how they control us, and how they are all inherently religious. Even atheists are religious at the level of their assumptions. Some assumptions are true and most are not. How can you tell without being an intellectual? *Transparent* introduces the *Transparent App*, an innovative and creative tool that helps people quickly see through the messages they encounter daily in the things they read, watch, and hear using the power of assumptions. The *Transparent App* is simple enough for a student to use but powerful enough for adults to find God and engage with Him in their areas of interest, expertise, and leadership. How can someone bring God with them to work or school? How does God give us knowledge and guidance in the things that matter in real life? At the level of assumptions, God is everywhere. *Transparent* is not just a theoretical theological exercise for intellectuals. It translates the complex ideologies of the intellectuals into everyday language for everyday people. Written more like an adventure than a textbook, *Transparent* is a refreshing departure from the usual books about apologetics, theology, and culture. Students, parents, pastors, and professionals will all love *Transparent*.
