Native Americans and the Supreme Court M. T. Henderson,2022-11-11 Although Native Americans have been subjugated by every American government since The Founding they have persevered and in some cases thrived What explains the existence of separate semi sovereign nations within the larger American nation In large part it has been victories won at the Supreme Court that have preserved the opportunity for Native Americans to make their own laws and be ruled by them The Supreme Court could have gone further creating truly sovereign nations with whom the United States could have negotiated on an equal basis The Supreme Court could also have done away with tribes and tribalism with the stroke of a pen Instead the Court set a compromise course declaring tribes not fully sovereign but also something far more than a mere social club

Consolidation Policies in Federal States Dietmar Braun,Christian Ruiz-Palmero,Johanna Schnabel,2016-12-19 The Global Financial Crisis has led to a renewed attention for the management of public debt and deficits of advanced and developing industrial states To successfully deal with such problems of public finances raises particular concerns in federal states where fiscal competencies are split between two levels of government This book offers comparative in depth knowledge of political

struggles related to fiscal consolidation policies in eleven federal states since the 1990s including the Global Financial Crisis and its aftermath It identifies conditions that lead to robust solutions that can both commit federal actors to prudent fiscal policy making and avoid conflicts between federal actors that cause federal instability This text will be of key interest to scholars and students of political economy and comparative politics in general and comparative federalism and EU Politics in particular *ECCWS2015-Proceedings of the 14th European Conference on Cyber Warfare and Security 2015* Dr Nasser

Troiano,2024-02-27 In a divided America the biggest solvable problem fueling political extremism and dysfunction is hiding in plain sight party primaries The Primary Solution is the thought provoking Arnold Schwarzenegger answer the country needs Congress has become an unproductive and unaccountable mess Polls show that only twenty percent of Americans think it s doing a good job yet ninety percent of incumbents are reelected This shocking discrepancy is a natural outcome of our system of party primaries and their polarizing incentives Party primaries were invented over a century ago to democratize candidate nominations but today their exclusionary rules and low turnout guarantee the exact opposite only a small fraction of votes wind up deciding the vast majority of our elections The result is a Congress that rather than representing a majority of Americans is instead beholden to the fringes of both major parties This is the primary problem in our politics today Fortunately The Primary Solution illuminates a powerful yet practical pathway out James Stavridis Admiral US Navy Retired and is a must read for anyone who wants a sane democracy Danielle Allen author of *Our Declaration* Nick Troiano founding executive director of Unite America makes a bold proposal to abolish party primaries in our country Doing so does not require a Constitutional amendment or an act of Congress In fact several states have already replaced party primaries with nonpartisan primaries that give all the voters the freedom to vote for any candidate in every election regardless of party A fresh timely political analysis Kirkus Reviews The Primary Solution offers voters across the political spectrum a realistic roadmap to a more representative and functional democracy *A Companion to the United States Constitution and Its Amendments* John R. Vile,2025-07-24 Charting 250 years of history the 8th edition of this constitutional companion shows students just how revolutionary the Constitution was and how relevant it remains today After revisiting the key events leading to the Constitution s ratification including the drafting of the Declaration of Independence and the proceedings of the Constitutional Convention this book explores the Constitution article by article and amendment by amendment to help readers better understand how each section of the document shapes the America we live in today The 8th edition illuminates how recent laws political debates and Supreme Court decisions are continually reshaping our understanding of the Constitution and its role in American life and society including such issues as Donald Trump s immunity from prosecution for the January 6th riots Mike Pence s role in certifying Electoral College votes Ketanji Brown Jackson s appointment to the

Supreme Court and the Dobbs decision among other controversial developments **A Constitution of the People and How to Achieve It** Aarif Abraham, 2021-04-30 Britain does not have a written constitution It has rather over centuries developed a set of miscellaneous conventions rules and norms that govern political behavior By contrast Bosnia s constitution was written quite literally overnight in a military hanger in Dayton USA to conclude a devastating war By most standards it does not work and is seen to have merely frozen a conflict and all development with it What might these seemingly unrelated countries be able to teach each other Britain racked by recent crises from Brexit to national separatism may be able to avert long term political conflict by understanding the pitfalls of writing rigid constitutional rules without popular participation or the cultivation of good political culture Bosnia in turn may be able to thaw its frozen conflict by subjecting parts of its written constitution to amendment with civic involvement on a fixed and regular basis a revolving constitution to replicate some of that flexibility inherent in the British system A book not just about Bosnia and Britain a standard may be set for other plural multi ethnic polities to follow *The Oxford Handbook of the Australian Constitution* Cheryl Saunders, Adrienne Stone, 2018 Providing an interdisciplinary overview of Australian constitutional law and practice this Handbook situates the development of the constitutional system in its proper context It also examines recurrent themes and tensions in Australian constitutional law and points the way for future developments States' Rights and the Role of the Federal Government Marcia Amidon Lusted, 2018-07-15 The balance of power between states and the federal government has long been a point of contention In an era when one political party controls the three branches of the federal government the possibility to employ states rights to resist objectionable federal policy has made it a highly contemporary issue With states rights at the center of issues like sanctuary cities abortion gun control and LGBTQ rights understanding the distribution of power between state and federal government is key to grasping the current political climate and the future of American politics Public Law Directions Anne Dennett, 2021 A considered balance of depth detail context and critique Public Law Directions offers the most student friendly guide to the subject empowering students to evaluate the law understand its practical application and approach assessments with confidence
