Blue Carbuncle_x000D_ An Exciting Christmas Eve_x000D_ The Spirit of Christmas **Places of Childhood Fancy** Michael G. Cornelius, Marybeth Ragsdale-Richards, 2023-01-11 Many of us grew up exploring fascinating worlds in books films and most importantly our imaginations places filled with mythological characters and magical landscapes where we had stunning experiences punctuated by the harmless pleasures that any child s mind can conjure These worlds sometimes end up in our childhood fictions which have in turn shaped countless imaginations and childhood adventures The essays in this book attempt to comprehend the worlds of children s progressive fiction from how they are created to how they affect readers This book explores what happens when speculative genres fantasy horror and science fiction and imaginative spaces collide headlong with the realities and surrealities of modern childhood It moves back and forth between Oz Wonderland Redwall and Fear Street and explores series such as Nancy Drew Inkheart The Mortal Instruments the Miss Peregrine series and more Many of these works feature children who must save the day to stop the bad guy kill the monster complete the quest and rescue adults leading us to wonder if fantastic spaces in children s progressive fiction are really helping kids prepare to save the world rather than helping them temporarily escape it **Uncanny Fairy Tales** Francesca Arnavas, 2024-05-31

There are fairy tales that surprise destabilise or even shock us these are uncanny fairy tales that manipulate familiar stories in creative and bewildering ways in order to express new meanings This work analyses these tales basing its approach on a reformulation of Freud s concept of the uncanny Through a cognitive outlook the employed theoretical framework provides new perspectives on the study of experimental literary fairy tales Considering English language literature complex and unsettling reinterpretations of the fairy tale discourse began to appear during the Victorian Age later resurfacing as a postmodern trend This research individuates uncanny related narrative techniques and cognitive responses as means to decodify and explore these tales and as ways to discover unseen connections between Victorian and postmodern texts The new theorisation of the uncanny is linked with three subconcepts mirror hybridity and wonder which function as tools to describe and investigate the cognitive and emotional entanglements characterising enigmatic and disorienting fairy tales
