On Great Service Leonard L. Berry,1995-04-01 Improving service quality has finally become a top priority of management today yet according to service quality expert Leonard Berry only a handful of companies have managed to determine exactly what to improve and how to improve it For the past two years Berry studied dozens of companies of all sizes renowned for their capacity to deliver what they promise and more From his on site observation of the strategies and practices of such companies as Mary Kay Cosmetics Tattered Cover Book Store Longo Toyota 2 build a service quality information system and 3 create a comprehensive service strategy based on the four principles of great service reliability surprise recovery and fairness He demonstrates how these four principles when adopted by the leadership and infused into the systems of a service company are the building blocks of the framework and form the anchor for implementation Berry shows how the artistry of great service can be systematically created from this foundation through a company s organizational structure technology and often under utilized human resources assets He challenges service managers to set their service quality aspirations

higher and his innovative practical ideas will help them achieve those higher standards Linking service excellence to value creation Berry provides solid financial reasons for the necessity of great service Here at last is the book for which managers in every service industry have waited Leonard Berry s operating manual for turning plans for great service into action
