Streisand Garrett Stewart, 2022-11-29 A blend of film reading with vocal analysis in appreciation of Barbra Streisand's unmatched contribution to lyric drama on screen. At every stage of her career, Barbra Streisand's genius finds its fullest measure in screen song: first in Emmy-winning TV specials, then in Hollywood blockbusters from *Funny Girl* to *Funny Lady*. She goes on as emerging auteur to direct her own musical concepts in *A Star Is Born* before reconceiving the big-screen musical altogether in the writing as well as directing of her own starring role in *Yentl*. A Film with Music. In this intensive reading of the actress who sings, Garrett Stewart notes the gender and ethnic stereotypes that Streisand shattered as the first openly Jewish superstar while concentrating not just on the cultural difference she made but on the internal differentials of her unholy vocal gift, whose kinetic volatility shapes a kind of cinematic terrain all its own. Down through her filmed return to the concert stage, Stewart elicits the sinuous phonetic text of Streisand's on-screen musical delivery in a keenly attentive mode of audition that puts into fresh perspective the indelible aura of her stardom.

Harold Arlen Edward Jablonski, 1996 The book is filled with arresting detail about Arlen's career. This one is required reading for anyone who cares about American popular music or it goes without saying musical theatre. Show Music
